

# TAKE A COURSE! BE A HERO!

**First Aid and CPR Courses are offered in  
a variety of locations so you can be a first aider!**

A Girl Scout should always be prepared and one of the best ways is to take a course in CPR and First Aid, and you don't have to go very far from home!

**Register with the location that works best for YOU!**

***Please note:***

- Fees paid directly to providers.
- Certifications are good for 2 years.
- First aider required for field trips, camping, and activities indicated in Safety Check points. First Aiders need both First Aid and CPR certification.
- First-Aid/CPR trainings offered by chapters of the American Red Cross, National Safety Council, MEDIC FirstAid, American Heart Association, and the American Safety and Health Institute (ASHI). Classes must be hands-on or blended training; online only certification does not meet GSSWT requirements!
- **Locations are listed on back of this flyer.**
