

Cookie Booth Do's and Don'ts

ALWAYS, be on your very best behavior—you are the “face” of Girl Scouting in GSSWT—potential supporters and community partners are looking at you as a representative of Girl Scouts.

- An “adult” only booth is **NOT** permitted—there must be a Girl Scout on site (4 girl & 2 adult max).
- If change is needed for a booth, a money manager **MUST** write a check to another adult in the troop so that he/she can cash the check for the amount of change needed. **Always remember that cash withdrawals are not permitted from troop accounts.** After the booth, the amount taken from the account for change should be **re-deposited separately**, to keep a clear audit trail for the finance report.
- Troop is responsible for bringing a table unless otherwise noted in the site’s special instructions. They must also bring their own chairs, pens, markers, calculator, tape, and any other sales aids. Be prepared!
- The number of cookies sold should be divided equally among the girls who participated in the booth. **USE THE BOOTH SALE RECORDER!**
- All adults who will be assisting at a booth location must follow all guidelines.
- If guidelines are not followed, the troop/girl will be restricted from participating at future booth sites.

“Say thank you.”

“Smile and be friendly!”

“Advertise your goals.”

REMEMBER: Marketing Girl Scout Cookies at booth sites is a **privilege** granted to us by local businesses, and if abused could cause all Girl Scouts to lose the opportunity for additional booths at these locations permanently. Girls and adults need to be careful, safe and considerate of the merchant’s property and customer.
