

### Karan Dyson Boston, MA

Karan is the Global Grooming Process & Engineering Vice President at Procter & Gamble - Gillette in South Boston. She is an accomplished engineering executive with vision and leadership insights in strategic planning, managing global programs, engineering innovation, technology master planning and new site construction. A champion for diversity and inclusion, her mission is to inspire and develop talent at all levels. She also serves as the P&G Director of Campus Recruiting at Tuskegee University, where she has personally recruited hundreds of diverse students for both full time and summer intern positions across Procter and Gamble. She is a strong supporter and member of SWE (Society of Women Engineers) and an advocate for girls and women in STEM. She is a co-sponsor of P&G's Global Women in Engineering and co-founder of the African Ancestry Executive Women Leaders Team. She is a member of The Partnership C-Suite Program in Boston MA, the Massachusetts Business Round Table Board, and Cincinnati American Red Cross Board. In 2022 Girl Scouts of Eastern Massachusetts honored Karan with a Leading Women Award for her commitment to the advancement of women in leadership. She received a B.S. in Mechanical Engineering from Tuskegee University.
