

Lan Marinelli Wakefield, MA

Lan serves as General Counsel and Secretary of connectRN, Inc., where she oversees all legal and compliance matters for the nurse staffing community that provides clinicians with flexible scheduling opportunities and resources. Lan has 17 years of experience providing strategic legal advice in both private practice and in-house settings. Prior to joining connectRN, she served as Assistant General Counsel and Secretary of HubSpot, Inc., where she oversaw public company compliance, SEC reporting, board and corporate governance, mergers and acquisitions (M&A), venture investments, and international expansion. She also established HubSpot's internal environmental, social, and governance (ESG) initiative to help drive progress on the company's sustainability goals and served as a member of HubSpot's internal committee focused on diversity, inclusion, and belonging initiatives. Prior to this, Lan served as Associate General Counsel and Assistant Secretary of athenahealth, Inc., where she led corporate matters for the legal team. She helped to take ConforMIS, Inc., a medical device company, public in 2015 and also focused on corporate and M&A matters at Sapiient Corporation. Lan began her legal career in the corporate department of Brown Rudnick LLP, where she served as chair of the summer intern program and was involved with the firm's hiring and diversity committees. Prior to attending law school, Lan was an auditor at Deloitte. Lan is a member of the Massachusetts Bar, TechGC, the Women's General Counsel Network, and the Association of Corporate Counsel. She received her Bachelor of Science, cum laude, in accounting and finance at The University of Arizona and her Juris Doctor at Boston College Law School. Lan joined the Board of Directors in 2022.
