

## renewal season opens April 2nd!

Ready for another year of fun, friendship, adventure and events? Now is the perfect time to commit to another year of Girl Scouts! Renew today, save your spot, and get rewarded!

Early membership renewal opens April 2. While the 2018-2019 Girl Scout Year begins October 1, we're so excited about next year that we're offering some incredible incentives to renew early! Like they say, "the early bird gets the worm." You won't want to miss these incentives - including a never-before-offered, one-day special incentive?!

Check out these incredible incentives you can receive, just for renewing your membership early:

**A free t-shirt!** Everyone likes free swag! This year, we're offering a one day only incentive for renewing on Monday, April 2. All members, girls and adults, who complete their renewal on this day will receive a free t-shirt!

**But wait! There's more!** All girls who are renewed by April 21 are able to attend a special, invitation-only badge workshop in their region.

All girls who are renewed by May 11 will be invited to our Early Bird Camporee on September 7-8 at Camp Fisherville.

Girls who are renewed by May 31 will receive a special Early Bird fun patch.

**PLUS!** All incentives are cumulative, so the earlier a girl is renewed, the sweeter the reward!

**We didn't forget about you, Service Units!** All service units that have 50% of their members renewed, and at least 50% of their service team positions filled by May 31 will have dinner delivered to an upcoming Service Unit meeting.

Also, the first Service Unit to meet this criteria will receive a voucher for their Service Team and key volunteers (up to 20 people) for a 4-hour team building/ropes course experience at Pinecrest Camp in Moscow, TN.

**If the incentives weren't enough, register early for the convenience!** For most parents and volunteers, the fall can get pretty busy with back to school business. When you renew membership early, that's one less thing to worry about come August! You and your girls can just jump right into the fun and excitement of a new year!

**Invest the First \$25!** If she participated in the Cookie Program, setting and meeting appropriate goals, she should have the funds to cover her own membership.

**Help your troop and service unit plan ahead.** When everyone renews their membership early, it makes it so much easier for troops, service units, and even the council to make plans for the upcoming year.

Look for more information about this awesome early bird renewal period to hit your inbox over the coming weeks. It's going to be another great year at Girl Scouts Heart of the South!

## spring is here!

Spring is a busy season in Girl Scouts, with so many fun things going on!

### **For starters, April is Volunteer Appreciation Month.**

Though it's true we appreciate our volunteers and everything they do every single month of the year, April is the time of year that is specifically dedicated to expressing gratitude for all volunteers bring to the organization.

Throughout this month, take a moment to say thank you to the troop parents who have lent a helping hand, to the service team volunteers who work to support the troops in the area, and to each other. Celebrate what you can accomplish together and the great impact you have on the lives of the girls in your community.

### **Spring is also a time to celebrate the accomplishments of girls!**

Troops and Service Units traditionally plan Court of Awards and Bridging Ceremonies in April and May. Be sure to reserve any ceremonial equipment as soon as possible to ensure it's available for your ceremony. It's also a good idea to purchase pins, badges, patches and thank you gifts from the Trefoil Trunk early on to make sure you have everything you need for your ceremony.

Remember, everyone is holding Court of Awards and Bridging Ceremonies at the same time and stock may be limited on some items. Planning ahead gives the Trefoil Trunks the ability to get everyone what they need in a timely manner. Check out [GSUSA's website](#) for more information on end of the year ceremonies.

### **Planning Summer Road Trips?**

With spring here, you and your girls may be making plans for summer travel. Be sure to utilize the [Troop Travel and Readiness Guidelines](#) to assist in your planning. This resource will walk you through council and GSUSA travel guidelines, help the troop establish a travel budget, and gives you a space to collect all necessary information such as sleeping accommodations, emergency contacts, and driver information.

As you plan to travel, be sure to also review the [Trip/Travel Safety Activity Checkpoints](#), as well as any checkpoints for specific activities that may take place while on the trip.

Lastly, [Volunteer Essentials](#) has a great Travel Appendix that should be used as an additional resource when planning those fun summer trips.

### **For council staff, springtime means preparing for the upcoming Girl Scout year.**

Throughout the season, staff will be contacting Troop Co-Leaders to collect information on the troop's future plans. Be prepared to let us know if your troop will experience a change in leadership, a new meeting location, or a new day and/or time of meetings in the 2019 membership year.

If you want to customize your troop's description in the online catalog, please let us know.

If your troop is not planning to continue, please review our Troop Disbanding Process and complete the steps necessary to properly close the troop.

At Girl Scouts, we care about your experience, good or bad, and we want to hear from you!

In April, Girl Scouts of the USA will be conducting a national survey with girls, parents/guardians, and troop leaders called Girl Scout Voices Count to find out what's working, and what's not, in Girl Scouts. GSUSA and GSHS will use your anonymous feedback to improve our services and programs and to communicate with partners and donors.

The surveys open on April 4. Save the date and be sure to check your email for the invitation to participate from [GSVoicesCount@girlscouts.org](mailto:GSVoicesCount@girlscouts.org). (Don't forget to look in spam/junk filters.)

As a Thank You, everyone who completes the survey will be entered into a raffle to win a \$50 gift card! We can't wait for you to make your voice count!

Got questions? Email: [lori.gilmore@girlscoutshs.org](mailto:lori.gilmore@girlscoutshs.org).

## invest the first \$25

### Use the First \$25 of Girl Scout Cookie proceeds to re-register all girls in your troop!

We all value experiences more if we pay for them with our hard-earned money. A wise Girl Scout leader once said, "A parent should only have to pay for Girl Scout registration one time- the first year. Proceeds from the Girl Scout Cookie Program should be used in all years after."

The First \$25 not only works to give girls, parents, and leaders a jump start on membership fees, it also allows girls to invest their hard-earned Girl Scout Cookie proceeds in their futures.

Adopting the First \$25 is a great best practice for all Girl Scout troops to build a solid foundation in financial skills. Using budgeting skills, girls can power their proceeds to cover next year's Girl Scout adventures.

The First \$25 also helps cross one more task off a parent's to do list once the new school year arrives!

Not sure if your girl will participate next year? Investing the First \$25 retains her membership and allows her to participate in all of the many Girl Scout opportunities during the 2018-2019 year including camp, events, and traveling.

### Showing your fave Girl Scout volunteer some love has never been easier!

- Pick an ecard design.
- Fill in the blank to finish the sentence (keep it short and sweet, please!)
- Download and share the ecard on social media or by email.

That's it—SWEET!

# one heart

GIRL SCOUTS HEART OF THE SOUTH

*To say that on a daily basis you can make a difference, well, you can!  
One act of kindness a day can do it." Betty Williams - Irish Peace Campaigner*

Last month Girl Scouts Heart of the South launched **One Heart** – our new underlying principle that encourages members to practice kindness and compassion, seek common ground and understanding, and serve our neighbors and communities, while living the Girl Scout Promise and Law.

Each month we will be featuring information for your troop to use during troop meetings to reinforce the One Heart principles.

For March we are launching One Heart Kindness Cards. These business size cards have a list of ideas for being kind on one side and a note to the recipient on the other asking them to continue to pay kindness forward. See the pictures below to see what the cards look like.

Each troop can order one set of 12 for the girls to use. Additional sets of 12 will be available in April and can be ordered for a \$5 donation to the council.

### **>>>Order your initial set of cards**

Please take a few minutes at the troop meeting once you receive the cards and explain to the girls their use. Tell them they can take a card and choose one of the items on the back of the card to show kindness. They can also come up with their own idea and write it on the card.

Once they complete their act of kindness they need to leave the card so the person receiving their card can pass it forward to someone else. Give each girl a card and ask them to complete their random act of kindness before their next troop meeting.

Our world today is increasingly becoming an unkind world. It is important Girl Scouts show their communities the importance of being kind. These cards are a great way to help girls understand how to make a difference in the world. Be sure to send the council any pictures or projects the troop does around One Heart to [news@girlscoutshs.org](mailto:news@girlscoutshs.org).

*You've just  
experienced a  
random act of kindness!*

Now it's your turn to pass it on. Do something kind for someone else and pass this card along to them!

One Heart is the underlying principle for Girl Scouts Heart of the South that encourages members to practice kindness and compassion, seek common ground and understanding, and to serve our neighbors and communities, while living the Girl Scout Promise and Law.

▲ Kindness Card Front

*Be kind today!*

*Here are some great ideas for how to be kind:*

- Leave an anonymous thank you note for a teacher, friend or co-worker
- Pay for someone behind you at the drive-thru or coffee shop
- Tip well and write a compliment to the server on the bill
- Write a kind thought on a post-it note and leave it in a public place
- Send a card to someone in the military overseas
- Drop off flowers and a note at a friend or neighbor's house
- Bring a treat to a meeting to share with others
- Leave a book you've finished where someone else can have it to enjoy
- Help someone with a chore without them knowing
- Let someone go ahead of you in line
- Hold the door open for someone
