

# GSHS & GSUSA MY22 Volunteer Awards

Each year, Girl Scouts Heart of the South is proud to honor the important contributions of our Girl Scout volunteers through the presentation of council-level and national-level awards and recognitions.

Volunteers are truly the heart of our movement, and without their dedication and hard work, our impact as an organization would be diminished. Their efforts allow us to excel as the premier leadership organization for girls! Join us in honoring these outstanding volunteers who have been instrumental in helping to further Girl Scouts' mission to build girls of courage, confidence, and character throughout our communities!

*Congratulations and thank you to all of these amazing honorees!*
