

Welcome Cookie Entrepreneur!

We're so excited that you're launching your first cookie business, and we have a few tips to help you get started.

1

Set your goal: earning cookie money helps your group pay for the activities you want to do! How many cookies do you need to sell to earn a reward or activity this year?

2

Practice your sales pitch: The most successful sales people are always ready to deliver their business pitch.

3

Sign up to participate in a cookie booth!

4

Register for Digital Cookie: Girl Scouts' online platform lets you expand your cookie sale to the web. Get set up in 4 easy steps!

5

Review the guidelines for staying safe while you're out selling.
