Pick up and drop off your rented gear at your Girl Scout Leadership Center — either Memphis or Tupelo.

Return all rented gear better than you found it.

This means all gear is clean, dry, and not missing any pieces (tent poles, strings, rain flies, or straps).

You won't be charged for items damaged due to normal wear.

Additional charges will apply for lost or broken items. However, you will be charged the full price of any gear damaged significantly or not returned.
