# How to Wear Your Girl Scout Uniform

Wondering where to add a new badge, place a pin, or a troop crest?

We have you covered! Each grade level has corresponding illustrations of a vest, sash or tunic. Use these guides on placement for insignia, badges, earned awards, and more.

For over a century, girls have been united by proudly wearing the Girl Scout uniform. Girl Scouts at each grade level have one official uniform item (sash, vest or tunic) to display badges, pins, insignia, and awards. This uniform item is required when girls participate in ceremonies or officially represent Girl Scouts. Girls wear the sash, vest, or tunic over designated official apparel or a white shirt and khaki pants or skirt. The adult member uniform includes an official Girl Scout scarf, tie, or vest worn with official membership pins along with navy blue business attire when participating in ceremonies or officially representing Girl Scouts. For casual events such as troop meetings, adult members can wear the vest paired with casual attire.
