

Carla Carten

Carla Carten of Shrewsbury is the Executive Director of Diversity, Equity & Inclusion Strategy for Mass General Brigham Health Care. She works within the system to help lead their vision and mission through a robust diversity and inclusion strategy. Carla has a PhD in Organizational Behavior, a Master’s degree in Organizational Development and more than 20 years of experience as an organizational development and diversity management consultant, facilitator and educator. Carla’s expertise is building organizational capacity by harnessing the power of diversity within all levels of organizational systems for leadership development, change management and continuous learning.
