

2023 Summer Camp Employment Opportunities

Employees at Girl Scout camps help campers thrive in an outdoor environment, make new friends, and enjoy the challenges of learning new things! They model our commitment to building a robust organizational culture where diversity, equity, and inclusion are at its core. We denounce racism, violence, injustice, and inequity. We strive to ensure that ALL who engage in this community are valued and recognized, and that they find a true sense of belonging.

All camp staff members are required to be fully vaccinated and boosted against the COVID-19 virus or submit test results each week.
