2. **Get into Character:** Act out a day in the life of the dream job you chose. Using materials you have at home, dress the part, practice your skills, and maybe even make a short video to document what you learned!
3. **Share your Talents:** Right now our world is going through a lot of changes and there are so many important jobs that are helping to keep us all safe. Take a moment to write a message or make a thank you card for a nurse, doctor, grocery store worker, custodian, teacher, EMT, truck driver, or someone else you know who is working hard to keep everyone safe and healthy.

Here are some helpful messages to get you started!
