

Digital Photographer

Complete the five steps to earn your Digital Photographer Badge.

1. **Learn about digital cameras from an expert:** Check out this helpful [video](#) to learn more about how to operate a digital camera.
2. **Take tons of photographs:** Go outside and explore the world around you by taking tons of photographs. Try out different angles, locations, and even up close or far away!

You can use a digital camera, tablet or even a smartphone camera.

3. **Edit three photos:** Choose your favorite three photos that you took today and begin editing them. Below are some free apps you can use to edit your photos!

Adobe Photoshop [Express](#)

Prisma Photo [Editor](#)

[Snapseed](#)

4. **Make a digital photo project:** Use your photos to create a digital collage. Check out the tutorial below to help you get started.

Digital [Collage](#)

You can also make a video or power-point featuring your pictures!

5. **Share your photos:** Share your best photos with us by tagging GSCWM on social media or showcase them for family and friends to see!
