

Pets

Complete the five steps to earn your Pets Badge.

1. **Find out what care different pets need:** It is important to find a pet that works with your life. If you think you want to find a dog click [here](#). If you think you want to find a cat click [here](#). To learn about other small pets click [here](#). When you are looking for pets it is important to think about how much care they need.
2. **Keep a pet comfy:** Watch the attached video to learn how to make a no-sew pet bed.
3. **Help a pet stay healthy and safe:** Take your pet for a walk every day for a week. If you don't have a pet that can be walked try cleaning or grooming your pet so they stay clean.
4. **Make a pet feel loved:** Play a game with your pet or even spend some time with them every day. If you don't have a pet consider making a toy or the no-sew pet bed to donate to an animal shelter or a friend's pet.
5. **Feed a pet:** Take over the feeding schedule of your pet for a week. Make a feeding schedule to keep track of every time you fed them.
