

# The Hope Project

Complete the five steps to earn your Hope Fun [Patch](#).

1. Check out this [video](#) to learn more about how you can change the world one step at a time!
2. Write down five things that are affecting your community/world today and learn more about them through a video, a book, or even talking to your family. Below are some examples to help get you started:

Click on the subjects to learn more!

- [Poverty](#)
- [Global](#) Warming
- [Racial](#) Injustice

3. Choose one of the subjects that you learned about and brainstorm a way that you can help those affected by that issue. Remember it's never too early to start thinking about changing the world!
4. Share your ideas with your family and friends. Ask your family and friends for feedback and use that to help improve your plans.
5. Put your plan into action and begin helping others. This could be in the form of a donation, reading/learning about the issue affecting your community and the world, or even creating a video to share your knowledge.
