

Covid – 19 Time Capsule

Complete the following steps to earn your Covid – 19 Time Capsule [Patch](#).

1. **Find a capsule:** Find something to store your items in. It can be a shoe box, a small cardboard box, a tube, or anything that you can find that can be closed. Don't forget to decorate it.
2. **Fill the capsule:** Find things that tell the story of your life during the Covid-19 pandemic. It could be newspaper articles, pictures, or an empty box or wrapper of your favorite quarantine snack. Be sure to also include a letter from yourself about what it has been like to live during this time.
3. **Seal the capsule:** Once you have put everything you want into the capsule, seal it up. You can use tape or glue or even wrap it up in wrapping paper. Be sure to put a do not open until date on it. Once it is sealed up store it somewhere, like in the back of a closet or in your sock drawer.

Watch the attached video for tips and ideas on how to make your time capsule.
