

SWEET

Early Cookie Booth Opportunity!

Does your troop have big goals to achieve? Interested in selling cookies during National Girl Scout Cookie Weekend 2023 (February 17-19) but can't because our delivery week falls after?

- **With at least 75% girl participation during the 2022 Treats, Reads & More Program, your troop can receive up to 50 cases of cookies ahead of delivery week!**
- Girl participation is earning at least 1 patch listed on the order form. Girls can do this by sending 18+ emails to earn the Swimming Seal patch. **It's that easy!**
- Qualifying troops will have a one-time opportunity to order up to 50 cases of cookies the week of January 9, 2023.
- Troops will pick up cookies at their designated cupboard between February 15-16—before cupboards officially open the week of March 13!
- Host early booths with those cookies anytime over National Girl Scout Cookie Weekend!
- Troops will be responsible for finding booth locations and may not approach GSNYPENN-sponsored sites (such as malls and Walmart). Reach out to your SU Cookie Coordinator for ideas, too!

If your troop qualifies, we'll send more details a little closer to cookie season.
(Must meet troop qualifications before Treats, Reads & More concludes on November 8, 2022.)

GOOD LUCK!
