Step 1>My Sales Target

1. Girl Scouts enter how many boxes of cookies they are working to sell this year through online and offline sales.
2. When the information is entered, the calculator will show how much money the troop will get from her hard work.
3. Clicking on “Rewards” will take you to your council’s rewards tab (if available) to see what rewards the girl might want to work towards.
4. Girls can enter any offline packages they have sold so their customers will see their total sales, not just their digital sales.

Don’t forget to save your goal before moving on.

The screenshot shows the 'STEP 1 SET MY SALES TARGET REQUIRED' interface. Callout 1 points to the 'Your Goal Calculator' where '500' packages are entered, resulting in '\$125' to help her Troop and others. Callout 2 points to the 'REQUIRED' label above the calculator. Callout 3 points to the 'REWARDS' button with an 'learn more' link. Callout 4 points to the 'SO FAR EMILY HAS SOLD:' section, which includes input fields for 'Offline Sales' and 'Online Sales', and a 'Total Boxes Sold' field showing '0'. Below this is a progress bar for 'Emily's Total Sale Progress' showing '500 packages left to reach Emily's goal of 500'. A 'Step 1 help' dropdown is visible at the bottom right.

Step 2a>Her Cookie Story

1. Girl Scouts tell their customers about a troop goal and why it’s important.
2. Girl Scouts share what they’ve learned from the cookie program.
3. Save their story. They can make edits to it at any time.

Almost there! Simply click the button to see how the site appears to customers and publish it.

If your button only says “see your site” you may be missing some required fields, or didn’t make any changes. Go back and check that everything has been completed.

Step 3b>Preview Her Site and Approve

You will see what the customer will see. Some things to check:

- Is the spelling and grammar correct and does it tell a story?
- Make sure the photo or video are displaying correctly.
- Are the goals accurate?
- If you need to change anything, click *Edit* and make changes, then go back to Step 2a.
- If it looks good, *approve and publish it*.

Your Girl Scout’s cookie store now has it’s own website! If your council’s digital cookie sale hasn’t started, the link will not be active yet.
