

**Join with fellow Girl Scout volunteers,** parents, family members, alumnae, and friends to expand leadership opportunities for girls in our community.

Your support of the Family Partnership helps the Girl Scouts of NYPENN Pathways provide programs to nearly 15,000 girls in our council every year.

*Please make a gift today!*

*Your investment is critical to helping our girl members develop into women of courage, confidence, and character.*

- Your donation will ensure that all girls have a chance to experience our innovative programs.
- While the Cookie program helps fund our programs, we cannot deliver programs based on cookies alone.
- 100% of Family Partnership gifts stay with the Girl Scouts of NYPENN Pathways for our girls.
