

# Interview Questions

## Supports Meeting 1, Activity 3, Choice 1

Role-play a job or school interview with a friend. Take turns being the interviewer and the interviewee. Ask these questions or come up with your own!

- Tell me about yourself.
- Why do you want this job/school opportunity?
- What are your strengths?
- What is something you're working on improving?
- When you experience a challenge or setback, how do you handle it?
- How do you manage your time when you have a lot to do?
- Tell me about your experience being part of a team or contributing to a group effort.
- How would you get more information if you didn't understand something?
- Why should we choose you for this position/program?
- Do you have any questions for me?
