

## **Think Like an Engineer Journey**

# **Brainstorming Tips: Think, Pair, Share**

#### **HOW TO RUN A THINK, PAIR, SHARE ACTIVITY:**

Tell girls that they're going to brainstorm answers to your question using "Think, Pair, Share." Lead girls through the basic steps by telling them they will:

- 1. Break into small groups.
- 2. Listen to the question or prompt.
- 3. Think about their answers.
  - Girls may want to write their answers down.
  - Twenty seconds should be enough time, since girls will need to sit quietly.

## 4. Pair with other girls.

- Girls talk with one to three other girls (depending on group size), making sure everyone
  has a chance to share their answers. If there's time, it's OK for girls to ask questions about each
  other's answers.
- For pairs, 20 seconds should be enough time. If your troop enjoys discussion, consider extending this to 1 to 2 minutes.

### 5. Share with the group.

- Girls share their answers with the larger group.
- This can be completed in 20–30 seconds, but will run longer based on group size and how the group sharing is done.

#### THERE ARE TWO WAYS TO SET UP GROUP SHARING:

- **Strongly Recommended:** One girl shares the best/most interesting/summary answer for the group. This approach is great if you're running short on time. It also helps develop conflict resolution and compromise skills.
- **Optional:** Each girl shares her partner's answer. This helps girls develop active listening skills, but will run longer because all girls are sharing.
