

## App Development 1

# Blank Data Object

Create a data object about yourself.

{

Property	Value
firstName :	,
lastName :	,
born :	,
flag :	,
topeadershipskill:	,
topissuetosolve :	,
:	,
:	,

}

If you have time, create a data object about a female leader.

{

Property	Value
firstName :	,
lastName :	,
dateelected :	,
flag :	,
country :	,
title :	,
:	,
:	,

}

Here's an example:

```
{
  firstName: "Jacinda",
  lastName: "Ardern",
  elected: 2017,
  flag: "🇳🇵",
  countryName: "New Zealand",
  title: "Prime Minister"
}
```
