

Brownie Cheer

*Here's a little riddle
To end the Brownie Quest:
We may not be all that old
But we're not so little that we fold.*

*We don't have keys to the family car
Or even a locker in the school hall,
But we Brownies still know how to rule:*

*With ELF on our side,
We Discover, Connect, and
Take Action high and wide.*

So can you guess what we are?

Leaders—all of us, every one!

*So watch out, world,
Here we come.
We're Girl Scout Brownies,
And we get the job done!*
