

## Design Challenge Badges

### Glossary for Daisies

Daisies may not know some of the words used in these badges. Here are definitions you can share with them:

**Inventors** are people who think of and build new products and ideas.

**Engineers** are people who like to know how things work. They design and build things people use every day, like computers, phones, roads, bridges and cars.

**Brainstorming** is what happens when you and your troop get together to come up with ideas.

**Features** are parts of a product that are designed make them more useful. For example, windshield wipers or automatic door locks are features of a car.

**Force** is the strength or energy that creates movement. Push and pull are examples of force.

**Friction** is a force that slows moving objects.
