

## Daisy Snow or Climbing Adventure

# Activity Choice Descriptions

Walk your girls through the activity choices and let them decide which one they like best.

### Meeting 2 Activity Choices

#### Go on Your Adventure

**Add to Your Adventure:** Do an activity while you're on your snow play adventure, or play a game while you're bouldering! For example, if you are playing in the snow, you can build a winter animal shelter. Or, while you are bouldering, you can play a game where you can't touch certain color holds while you climb.

**Show a Friend:** Show a friend what you did on your adventure. If you played a new game or learned a climbing skill, tell her about it! You can choose whatever experience you want to share with someone special in your life.
