

Decision Methods

Majority rules. Poll your group. Ask everyone in the group for her top three options. Write down the two most popular options, then take a vote. The option with the most votes wins!

Consensus or compromise. Your brother wants burgers. You want pizza. You could order a cheeseburger pizza. Or you could agree to have burgers this time if you have pizza next time. But you both like tacos. Could you have those instead? Discuss the issue until you arrive at a decision everyone can accept.

Pick at random. Have everyone write her choice on a slip of paper. Put them in a hat, and choose one at random. You could also flip a coin or draw straws.
