

Household Elf

Activity Choice Descriptions

Walk your girls through the activity choices and let them decide which ones they like best.

MEETING 2 ACTIVITY CHOICES

Go Natural

Make a Natural Cleaner: Use instructions on the Homemade Sprays handout (pg. 5 of badge booklet) to make a natural cleanser for tiles or glass.

Make a Natural Spray to Use on Plants, Flowers, or Vegetables: Use instructions on the Homemade Sprays handout (pg. 5 of badge booklet) to make a natural gardening spray.

Take Your Own Reusable Bag to the Grocery Store or When Helping Run Errands: Make a reusable bag out of an old t-shirt.

Reuse or Recycle

How Much Trash Can You Stash?: Create a list of the trash you throw away at home before the next meeting. Then review your list with a partner and see how you could've cut down your trash by reusing or recycling items.

Recycle Plastic Bags: Collect leftover plastic bags and take them back to a store that recycles them.

Donate Toys and Clothes: With your family, go through your toys and clothes and set aside what you don't play with or wear anymore. Have a toy and clothes swap with your Brownie friends, then go online and find a place where you can donate the rest of your belongings.

Clear the Air

Clean or Replace an Air Filter: Find out how filters help the air. Then learn how to clean one.

Discover Natural Filters: Plant a seed in a small pot to take home your own natural air filter. Decorate the pot to make it the perfect fit for your home.

Make a Natural Air Freshener: Make your own fresh scent for the house using natural ingredients.
