

Animal Habitats

Activity Choice Descriptions

Walk your girls through the activity choices and let them decide which ones they like best.

MEETING 2 ACTIVITY CHOICES

Explore Endangered Habitats

The Arctic Circle: When animals no longer have their habitat, they have to adapt to a new place to live. When they can't find a new place to live, they risk becoming endangered. Answer questions about the endangered habitats of the Arctic Circle.

The Gulf of Mexico: Answer questions about the endangered habitats of the Gulf of Mexico.

The Amazon Rain Forest: Answer questions about the endangered habitats of the Amazon Rain Forest.

Help Protect Animal Habitats

Wildlife Awareness Party: Choose an endangered animal to dress up as for a party with your Junior friends.

Create a Backyard Habitat: Research and then carry out a landscape plan that is best for wildlife in the area.

Help Clean Up an Animal Habitat: Spend a few hours with your Junior friends making an animal habitat nicer for animals!
