

Automotive Engineering 1

Simple Machines Matching Game

Prepare Ahead for the Volunteer: Before the meeting...

1. Print and cut out the “Everyday Objects” and “Vehicle Parts.” Keep the photo sets in separate piles for Step One.
2. Use the “Vehicle Diagram” to draw a larger, blank outline of a vehicle on a sheet of chart paper or a white board. Do not label anything.

Everyday Objects

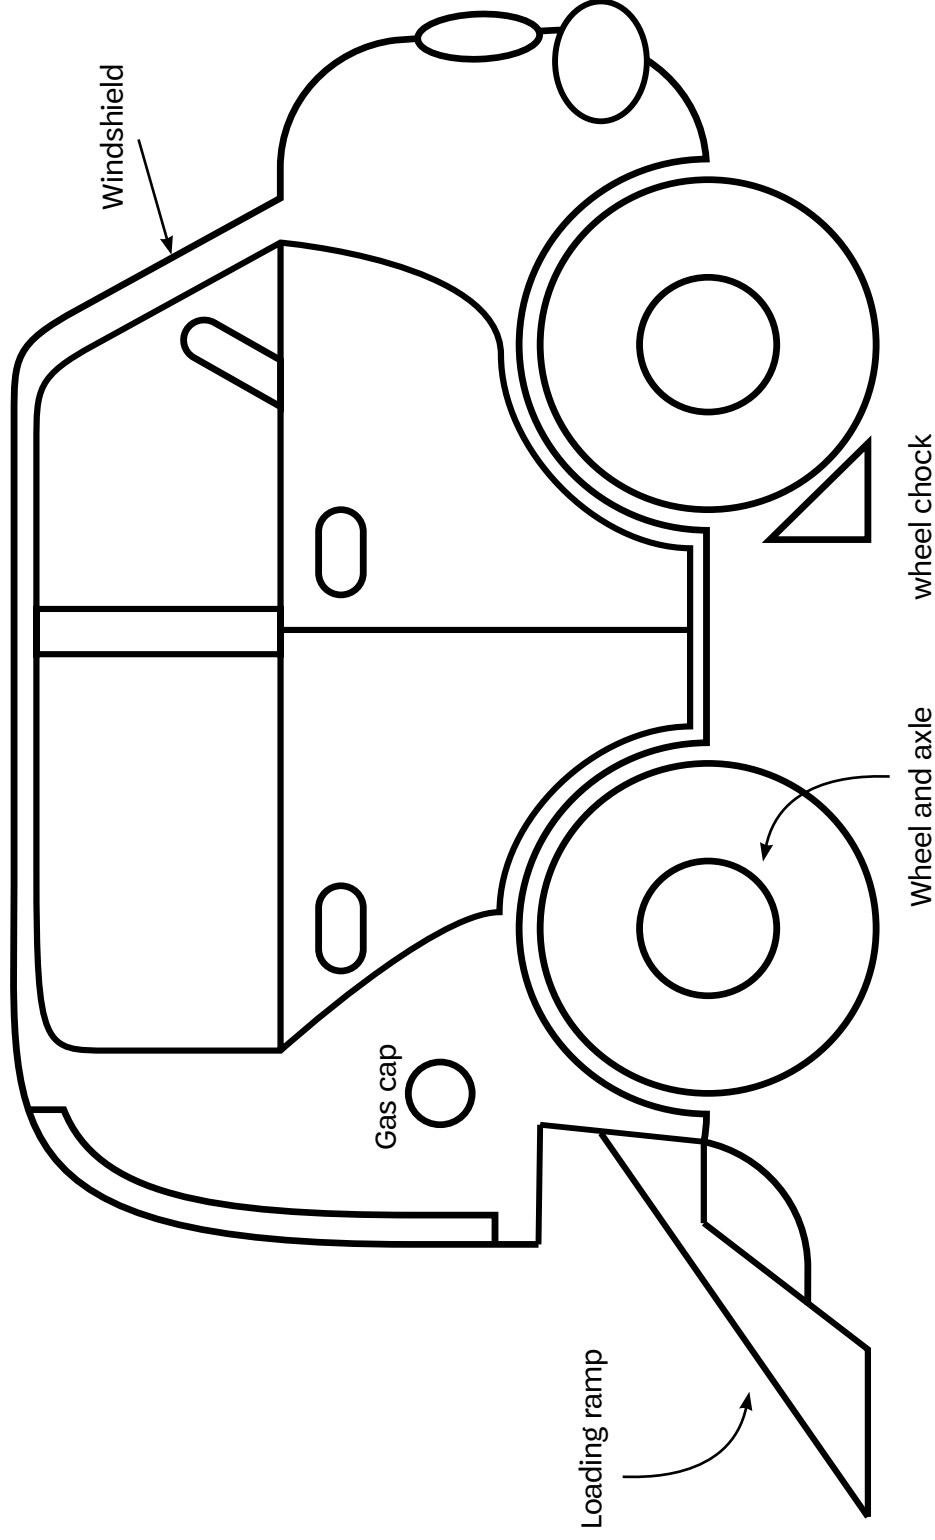

Vehicle Parts

Vehicle Diagram

Interior parts that are not shown on the diagram: Gearshift, Seatbelt
