

Math in Nature Badge Series – Brownie Survey

Congratulations on Completing the *Math in Nature Badges*!!

We'd love to know what you think about it. Please take a few minutes to tell us about your experience. The survey should take 5-10 minutes to complete. Your answers are private and used to improve Girl Scout program.

Here are a couple of things to know before you get started:

- **STEM stands for Science, Technology, Engineering and Math.**
- **If you do not want to take the survey, you do not have to.** However, we hope you will so we can learn more about you and what you think about STEM.
- **Please read each question carefully and mark the answer that is most like you.** If you don't understand a question, please ask an adult for help.
- **This is not a test.** There are no right or wrong answers. We want to know what you really think and feel.

1. How much did you like the badge you just finished?

- A lot
 A little
 Not very much
 Not at all

2. This badge was...

- Way too easy
 A little too easy
 Just right
 A little too hard
 Way too hard

3. Would you recommend this badge to your friends?

- Definitely
 Probably
 Probably not
 Definitely not

4. Would you like to do more STEM activities through Girl Scouts?

- Yes
 Maybe
 No

5. How true are these statements to you?

	Very true	Kind of true	Not very true	Not true at all
This badge makes me want to do more STEM program with Girl Scouts.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I hope that my troop does more STEM programs soon.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I did an activity in this badge that I've never done before.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I learned something new about STEM in this badge.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

6. What did you like the most about the badge?

7. What could Girl Scouts make the badge better?

8. Describe one thing you learned in this badge that you didn't know before.

For the following questions, tell us how much each statement is LIKE YOU!

If the statement describes you very well, circle “Exactly”. If the statement does not describe you very well, circle “Not at all”. If you don’t know how to answer, that’s okay. You can circle, “I don’t know”.

<i>How much is this like you?</i>	Exactly	A lot	Kind of	A little	Not at all	I don’t know
I like to figure out how things work.						
I love building things.						
I am excited to learn more about science.						

<i>How much is this like you?</i>	Exactly	A lot	Kind of	A little	Not at all	I don’t know
I can do most science projects I try.						
I am very good at solving problems.						
I am very good at coming up with new ideas when working on projects.						

<i>How much do you agree with each statement?</i>	Exactly	A lot	Kind of	A little	Not at all	I don’t know
Thinking like a scientist will help me do well in my classes.						
Engineers make the world a better place to live.						
Knowing science and technology is important for being a good citizen.						

<i>How much is this like you? When trying to solve a problem...</i>	Exactly	A lot	Kind of	A little	Not at all	I don’t know
I first try to understand what caused it.						
I think about different ways to solve it.						
I gather or consider information from different places.						
I think carefully about the information I have obtained.						
I try different ways to solve it when I get stuck.						

9. Which of these is like you?

- I usually don’t like doing STEM activities.
- I kind of like doing STEM activities.
- I love doing STEM activities.

10. Other than these badges, have you done other STEM programs outside of school this year? (choose all that apply)

- Yes, through Girl Scouts.
- Yes, through another program after school.
- No, this is the only STEM program I have done outside of school this year.

11. As of today, how interested are you in...

	Yes	Maybe	No
Taking more classes in STEM.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Taking STEM courses in college.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Having a job in STEM.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
