

# Wellness Breaks

## Supports Meeting 1, Activity 3, Choice 1

Use this bullet journal to track your wellness activities every day for a week. First, identify up to five activities you'd like to try. Write them on the blank lines, then fill in the circles to give each activity a unique color. Color in the circles next to the days of the week as you complete activities. You can do all of your activities each day, or repeat a few favorites—it's up to you. What are the colors of your wellness? Try it and see!
