Meeting 2 Activity Choices

Pitch Your Idea

Draw a Poster and Present It: Make a poster to advertise your toy, just like you might see in a toy catalog, magazine, or on a website. Show what it does and why it's special. Be sure to include the cost! Then, share your poster with the group.

Make a Video and Present It: Show how your toy works and why it's fun! Don't forget to mention how much it will cost. Ask your friends or family to act in your video. Have a trusted adult or older girl help you make your video and edit it. Then, share your video with the group.
