

5 Flowers, 4 Stories, 3 Cheers for Animals!

Welcome to This Amazing Animal Adventure

Maybe you've held a fuzzy kitten in your arms and heard its gentle purr. What a sweet sound! Maybe you've dreamed of giving a big, wrinkly elephant its bath. Perhaps you can!

Caring for animals is fun and important—just like caring for you! So get ready to travel with some beautiful flower friends to see all the ways to keep animals safe and happy.

Before you know it, you'll have stories to tell, and tips to share. You'll see how good it feels to care for animals and teach others to care for them, too.

As you travel, enjoy the animals all around you. If you hear the **cheer-i-up, cheer-i-o** of a bright red robin, go ahead and **cheer-i-up** and **cheer-i-o**, too!
