

Who Led the Way for YOU?

Coach? Teacher? Friend? Parent? Write down your favorite leaders.
Talk to your friends about theirs.

A leader can be . . .

Anyone, anywhere.
She may live on the other side of the globe,
or right next door.
See with perfect vision
or not see at all.
Run like the wind
or be a whiz in a wheelchair.
Be very old
or very young.
Be in the White House
or in 4th or 5th grade.

YOU.

A leader:

Cares enough to want to do something.
Believes the job will get done.
Inspires others to do their best.
Appreciates working with others.
Makes others feel great about their work.
Listens and takes advice.
Strives for group success.

Think
About
It!

Why is listening well a sign
of a good leader?
