

# COVID-19 REOPENING PHASES

## COOKIE GUIDELINES

We continue to evaluate and adapt our COVID-19 Reopening Plans based on current information available. We're following the CDC COVID-19 Task Force's guidelines to mitigate the risk of resurgence and protect the most vulnerable. At each phase, we want cookie bosses and customers to feel safe and confident in the Girl Scout Cookie Program!

The matrix below summarizes our guidelines for each phase of reopening with an overview for participating in the cookie program at each phase. Please ensure you are up to date with our Council's phase status and the detailed guidelines for all members engaging in Girl Scout activities including the cookie program. **Find our current Phase at any time, as well as all detailed guidance for our volunteers, parents, and girls at [girlscoutsaz.org/COVID-19](https://girlscoutsaz.org/COVID-19).**
