

Council Trained Leader Pin and Charms

Complete the Getting Started course to receive the Council Trained Leader recognition pin. Complete additional qualifying courses to receive training recognition charms that may be attached to the pin or to your own charm bracelet, pin or necklace.

Courses completed prior to Aug. 1, 2017 do not qualify for this recognition. Troop Leaders are always welcome to re-take any course.

Volunteers will receive a certificate of completion when completing a course. To receive a pin or charm, they must present their certificate to their Member Support Executive at a Service Unit Leader Meeting.
