COUNCIL

Building girls of courage,  
confidence, and character,  
who make the world  
a better place.

GIRL SCOUT PROMISE  
On my honor, I will try:  
To serve God and my country,  
To help people at all times,  
And to live by the Girl Scout Law.

GIRL SCOUT LAW  
I will do my best to be  
honest and fair,  
friendly and helpful,  
considerate and caring,  
courageous and strong, and  
responsible for what I say and do,  
and to  
respect myself and others,  
respect authority,  
use resources wisely,  
make the world a better place,  
and be a sister to every Girl Scout.

*Scouting rises  
within you and  
inspires you to put  
forth your best.*

## PLAN YOUR YEAR

Girls are most engaged in troop activities when they are involved in the planning process. Let your girls browse through the listings in this book, read about what's being offered this year, and help make decisions about what to participate in.

### HOW TO USE THIS BOOK & Other Tips

#### Meet with your troop to create a plan for the year.

You don't have to attend all program events as a troop. There are many family and individual events that girls can attend without the entire troop.

#### Use the "important dates" on page three to inform your plan.

You can also find event dates, program ideas, and support by customizing your Troop Year Plan in the Volunteer Toolkit and following the GSWO Blog at [gswoblog.org](http://gswoblog.org).

#### Have the girls discuss which Girl Scout Journey and badges they would like to earn.

Use your *Girls Guide to Girl Scouting* to make decisions. The Volunteer Toolkit has great K-5 meeting outlines to lead this discussion.

#### Look for program events that complement your troop plan.

You'll see badge and Journey icons next to event descriptions that indicate a program tie in. If you don't see one, that doesn't mean you can't make a connection.

#### Update families about what the girls are interested in.

Share a link to this book online, so they can see what's being offered. Events are a great way for families to get involved, see the benefits of Girl Scouting first-hand, and have an opportunity to lend a helping hand.

#### Create a budget.

Check out the back cover of this book for more information about the Fall Product Program and the famous Girl Scout Cookie Program. These sales are a great way to earn money to pay for all that you do in Girl Scouting.

#### Consult Volunteer Essentials.

Familiarize yourself with the policies and procedures for troop activities and field trips. Find the guide online at [gswo.org](http://gswo.org).

#### Get registered!

For council-sponsored events, check out page five for registration procedures. For community-sponsored events, see the event descriptions for details. Register fast to reserve your spot!

#### Attend and debrief.

Participate in the program evaluation at the event and share your feedback. Some community partners may not have an evaluation. As a group, reflect on your experience and use that to make decisions about future events.

### COMMUNITY-SPONSORED EVENTS

These events are hosted by amazing community partners, who focus activities on the Girl Scout Leadership Experience. Leaders (or other approved adults) are required to attend community-sponsored events with their troop and are responsible for ensuring the safety of the girls. Community partner facilitators are never counted in ratio for the girls.

#### HOW TO REGISTER

Registration for these events is managed by the community partner. Contact information is included in community-sponsored event listings.

#### OPEN AND CLOSE DATES

Community-sponsored events open and close dates may vary. Please check with the community partner for exact dates.

### COUNCIL-SPONSORED EVENTS

These events are led by Girl Scouts of Western Ohio staff or volunteers. Most events require adults to attend with their girls, unless otherwise specified.

#### HOW TO REGISTER

Registration for these events is managed through the council website. Please follow the instructions below to register:

- Visit [gswo.org](http://gswo.org).
- Click on "Activities."
- Search for the activity you would like to register for and click "Register Now."
- Log in using the same username and password as your My GS profile.

For activities where there is no cost for either girls or adults, enter the discount code FREE. Stay tuned for an update in the Volunteer Toolkit that will allow you to register for and add events to your year plan.

#### OPEN AND CLOSE DATES

Council-sponsored events will close two weeks prior to the event, unless otherwise noted. Check the online registration page for exact closing dates. If the event you are registering for has already closed, you can call the contact person listed to see if there are any additional spots left in the activity.

- **June 1, 2016** – Registration opens for program events in August-December.
- **November 9, 2016** – Registration opens for program events in January-July, unless otherwise noted.

### CAN NON-GIRL SCOUT MEMBERS ATTEND AN EVENT?

No. Girls must be registered members who meet the Girl Scout grade-level recommendations for the event. Boys and younger siblings are not allowed to attend events, unless they are advertised as family events.

However, any girl in grades K-12, who is not a currently registered Girl Scout, may register as a member and attend events and activities.

### CAN INDIVIDUAL GIRLS ATTEND EVENTS?

In most cases, yes! Girls can attend many council-sponsored program events without their troops. Many times, an adult will be required to attend with the girl. Please contact the person listed with any questions.

### REFUND POLICY

#### IF I CANCEL, CAN I GET A REFUND?

- In order to receive a refund, a written request must be received 30 days prior to the event date.
- A \$5/participant cancellation fee will be charged.
- The maximum charge per troop is \$25.
- For events that cost less than \$5/person, the entire fee will be kept up to \$25/troop.
- No refunds less than \$5 will be issued.
- **NO REFUNDS** will be given after the cancellation deadline with the following exceptions:
  - **Weather:** If a severe weather warning is issued, the leader must notify the Girl Scout Center or appropriate contact listed in their confirmation materials prior to the intended departure time.
  - **Illness or Accident:** Refundable with a physician's statement.
  - **Transfer:** If a child moves from the Girl Scouts of Western Ohio jurisdiction prior to the date of the event, a refund will be issued.

#### DOES MY FEE INCLUDE A BADGE OR PATCH?

Insignia such as petals and badges, Journey awards, and patches are not included in the program fees, unless indicated in the program event description. Insignia may be purchased at any Girl Scout Shop.

## A NIGHT AT THE MUSEUM

Come to the Armstrong Air and Space Museum for an exciting overnight that's as close to out of this world as you can get without leaving the atmosphere. Tour the museum's seven interactive exhibits, and complete three science themed activities that promote creativity, problem solving, and teamwork. There will be a late snack and breakfast the next day. Program facilitators will lead activities during this event. Troop leaders/caregivers are responsible for the supervision of their girls, including engaging them in activities.

### CRATE STACKING

Crate Stacking—the ultimate team “building” activity! Work together to stack milk crates higher and higher. Will you be the girl who climbs up—harnessed and belayed by instructors—to stack the crates handed to you by your teammates? How high will it get before it topples, 10 feet, 15 feet? Don't worry, when it finally falls, you'll be safely lowered to the ground.

## ARCHERY

Ever wondered how to shoot a bow and arrow? What kind of equipment do I use? How can I be safe on the archery range? Where do I shoot and how do I keep score? What can I do as an archer to improve my skills? These questions and more will be covered as you learn the basics of shooting a bow and arrow along with the safety practices on an archery range.

## BROWNIE HIKER BADGE

Learn how to prepare for your hiking adventure. Help research areas to hike and plan for your trip. What do you consider when planning your hike? What do you wear and take along with you? Are there special things to do on a hike? How do you make sure you don't get lost? What food and drink always go on hikes? These questions and more will be covered as you earn your Hiking badge. Capacity: 20.

## JUNIOR CAMPER BADGE

Learn how to prepare for your outdoor camping adventure. Help to set up the perfect campsite and learn the safe handling of equipment. Ever wonder what you will eat while camping? Learn how to create a menu using simple and nutritious recipes and ingredients. Not sure what to take with you or what to wear? What should we do while camping? Where should we go and how do we get there? These questions and more will be covered as you earn your Camping badge. Capacity: 20.

## SAFETY & SELF DEFENSE IN THE OUTDOORS

Want to have fun in the outdoors, but are afraid because you are not sure how to be safe? Ever thought: What happens if I see a snake in my path? What if I get stung by a bee or twist my ankle? Can I pick those pretty flowers? What if a stranger approaches me? What can I do to better protect myself? What does poison ivy look like? Are these berries for me to eat? Feel more confident in the outdoors by learning how to take care of a situation before you encounter it. This hands-on course lasts 4 hours and will help you safely venture into the outdoors. Capacity: 25.

## AMAZING POLAR RACE

Test your troop's outdoor skills in this ultimate cold weather contest. Compete against other troops, racing across camp and completing challenges on topics ranging from first aid, lashing, orienteering, team building, and much more. Your troop will receive a map with an assigned route to stations that must be completed in a specific order. Each station will be judged and points awarded based on how well tasks are completed as well as aspects of leadership, teamwork, and Girl Scout spirit. Registered troops will receive an information packet before the event with more details to prepare for the event. Cost includes patch.

## MASTERS OF DISASTERS - TOLEDO

The American Red Cross is committed to helping youth become better prepared for a disaster or emergency. This program can help reduce anxiety about unknown aspects of disasters and tragic events and gain confidence to deal successfully with life's unexpected turns.

## PILLOWCASE PROJECT - TOLEDO

Learn how families can prevent, prepare for, and escape a home fire, the science behind hazards like earthquakes, hurricanes and tornadoes, how to stay safe during a natural hazard, and skills to help you cope with emergencies and stressful situations.

## BE RED CROSS READY

The umbrella preparedness education program for the Red Cross is designed to help individuals, families, and their communities get ready for a variety of emergencies. Learn how to prepare for and respond to all types of disasters that occur in your region. Locally (in Ohio), we cover floods, lightning, tornadoes, and winter storms.

## FIRE PREVENTION & SAFETY

Did you know home fires are the most common disaster in the United States? In this course, you will learn how to remove hazards to prevent fires and set up and follow plans to stay safe if a fire occurs. You'll also learn the losses that happen when a home is devastated by fire and how you can support those who have experienced personal disaster.

## DISNEY PILLOWCASE PROJECT

Learn about hazards and how to prepare for emergencies, enhance your coping skills, practice what you have learned, and share your knowledge. Come to understand the importance of developing an emergency communications plan, fire evacuation plan, and emergency contact cards.

## BLACK SWAMP BIRD OBSERVATORY

### THE FASCINATING LIVES OF BIRDS

Our morning program (2 to 3 hours) is designed to provide girls a hands-on, outdoor experience to learn about the natural cycles associated with songbird migration and research, and the physiological and behavioral adaptations of songbirds. Girls build strong connections to the natural world through this interaction with live wild songbirds and other marsh creatures. Girls will play the Migration Game, an active running game which demonstrates the impact of habitat loss and other hazards that birds face during migration. Girls will understand the fragility of the natural world, instilling in them a sense of the value of a healthy environment. This is a great extension of the It's Your Planet-Love It! Journey.

### LISTENING TO THE PAST

Visit Dayton's oldest buildings—Newcom Tavern, the William Morris House, and Locust Grove School #12. Imagine you are a student from 1896, and experience a school day as it was over a century ago, with early lessons, schoolwork, and games.

### MOVERS

How does an airplane fly? What famous Daytonians invented and flew the first airplane? Learn the answers to these questions and more in Movers. Participants will make a ring glider, a paper copter, experiment with a balloon rocket, and learn about Bernoulli's Principle.

### ARCHITECTURE

Examine early building methods and materials found in the Miami Valley, make a building "footprint" to compare historic buildings, and then construct your own building.

### LOCAL LORE

Tour the many buildings and exhibits at Carillon Historical Park to learn about the rich history of Dayton and the Miami Valley.

### SCIENCE SLEUTH

Learn about the six types of simple machines, perform experiments, and then go on a scavenger hunt to find simple machines exhibited on original train and trolley cars. Visit a 1930s print shop to see how printing was done in the past.

### INVENTIONS AND INQUIRY

What do the electric starter for the automobile, the airplane, the cash register, and the pop-top can all have in common? They were all invented in Dayton, OH. Discover what it takes to become an inventor and examine inventions, innovations, and the patenting process while learning about some of Dayton's most famous inventors.

## CAVING

### OVERNIGHT AT BLUESPRING CAVERNS

Enjoy a unique camping experience—100-feet underground! Explore America's longest underground river by boat, and then walk, crawl, and climb through an undeveloped part of the caverns not seen on regular tours. Camp overnight in the actual cave, high above the hidden banks of Mystery River.

### EXPERIENCE DIVERSITY IN NATURE

Get outdoors and check out the assorted shapes, colors, and behaviors in nature's ever-changing spectrum of living things. We will consider things like seeds, movement, and the many ways plants and animals survive. We will also reflect on how we feel and think when we are outdoors, and discuss our individual responses to being surrounded by nature. Please do not wear sandals or open-toed shoes.

### FROGS AND TOADS

The Fernald Preserve provides habitat for eight different species of frogs and toads at the site. Join us as we hike to where our amphibian friends live, and investigate along the water's edge, listening and looking for frogs and toads. Don't miss this "ribbiting," close-up experience to learn about the many reasons it is important for communities to protect wetland habitats. Bring a flashlight and wear rubber boots or shoes that can get wet. Please do not wear sandals or open-toed shoes.

### INVESTIGATING GREEN ENERGY

Explore how the Fernald Preserve Visitors Center operates without leaving negative effects on the Earth. The heating and cooling systems conserve energy, biowetlands handle wastewater from site buildings, and several other features contribute to the site earning its Leadership in Energy and Environmental Design (LEED) green building status. We hope you'll enjoy a fun, energy scavenger hunt, a hike to the biowetland, and a recycled paper bead craft.

### NAVIGATING THE NIGHT SKY

Begin your experience in the Visitors Center, learning to read a star chart (map) of the sky showing the locations of the stars, constellations, and the five brightest, or "naked-eye," planets (Mercury, Venus, Mars, Jupiter, and Saturn), that can be seen from Earth without special equipment. The adventure continues when you step out into the night to practice your new skills. Bring a flashlight that we can cover with red cellophane to preserve your night vision and still allow you to read your star chart. Weather permitting, you'll experience an awesome night-sky adventure!

### FIREFLIES LIGHT UP THE NIGHT

Known also as lightning bugs, fireflies are neither bugs nor flies; they are actually beetles. All that flashing is their form of communication. Did you know different species of fireflies can be identified by their different light-flashing patterns? Events of the evening will teach you to recognize the different types of fireflies among the flashing lights. The color and length of the flash, number of flashes, length of time between flashes, and the time of night you witness the flashes are all clues to identifying these blinking beetles. Find out how you can become involved as a Citizen Scientist to track the fate of these insects.

### NATURE AT NIGHT

Witness the tranquility of nature at night. See how easy it is to use your night vision and other senses to make your way comfortably through natural darkness. Learn about the night-loving, nocturnal animals that are perfectly at home in our area and about their special adaptations. We will try to call an owl into our midst before the event is over! Bring a flashlight to help you uncover the mysteries of nature at night. Please do not wear sandals or open-toed shoes.

### THE PERSEID METEOR SHOWERS

Join us for a wonderful night under the stars. Observe the annual Perseid meteor shower, while identifying some summer constellations and locating the North Star. As Earth passes near a comet's orbit, some of the debris can hit Earth's atmosphere and turn into meteors, producing up to 60 "shooting stars" per hour. Watching for meteors can be a waiting game, and you will want to be comfortable while enjoying the show, so bring a blanket or a folding chair with you to this activity.

### A CHANGING LANDSCAPE—FROM RURAL TO INDUSTRIAL TO NATURE PRESERVE

Journey through time and generations at a former Cold War weapons complex that has been remediated and restored to a public nature preserve. The Fernald Preserve's amazing story highlights how citizens contributed to serving our nation's needs from producing cold war materials to removing environmental contamination. Much can be learned from this story of recovery, community activism, legislative regulation, and successful teamwork between multiple stakeholder groups.

### WATER—THE COMMUNITY CONNECTOR

The Fernald Preserve was once a complex that performed industrial work, which led to many kinds of environmental pollution, including contamination of the local aquifer. How did the contamination happen, who did it affect, and how is it being cleaned up? Learn about the hidden Great Miami Buried Valley Aquifer that supplies drinking water to a large portion of southwest Ohio. Water is important to the Fernald Preserve, supplying its wetlands, aquifer monitoring wells, and the Paddys Run stream. This amazing resource is a great community connector that demands our attention.

### ARCHERY FIRST CLASS

This introductory course sets the foundation for progression to all levels of competitive and recreational archery. Learn range safety and proper equipment selection, use, and care. Practice beginning shooting techniques with professional USA Archery SafeSport certified instructors and receive evaluation of skill completion by the instructor based on performance criteria throughout the session. Genesis (compound style) bows, arrows, Olympic targets, quivers, arm guards, and archery related supplies provided. Can be scheduled over a period of four, one-hour sessions, two, two-hour sessions, or one, four-hour session. For classes spanning lunch time, bring a sack lunch. Close-toed shoes required (no sandals or flipflops). Cost: \$15/Archer.

### ARCHERY LEVEL 1

Shoot with accuracy, using a recurve or compound bow. Focus on basic archery shooting form and continuation of safety foundations. Review concepts from "Archery First Class" and get measured and fitted for correct recurve bow and arrows. Learn how to use and adjust a sight and get ready to use a finger tab or bow sling. Further your development of shooting techniques with professional USA Archery SafeSport certified instructors. Bows, arrows, Olympic targets, quivers, arm guards, finger tabs, bow slings, and archery-related supplies provided. Can be scheduled over a period of four, one-hour sessions, two, two-hour sessions, or one, four-hour session. For classes spanning lunch time, bring a sack lunch. Close-toed shoes required (no sandals or flipflops). Cost: \$30/Archer.

### ARCHERY LEVEL 3

Continue using a recurve or compound bow and get introduced to team and individual archery competition. Review concepts from Level 2 and continue to refine shooting form. Progressively develop shooting techniques with professional USA Archery SafeSport certified instructors. Learn tournament rules, including how to score and practice etiquette and procedures. Receive evaluation by the instructor on your level of skill based on performance criteria throughout the session. Bows, arrows, Olympic targets, quivers, arm guards, finger tabs, bow slings, and archery related supplies provided. Recommended over a period of four, 90 minute sessions, but can be scheduled for two, three-hour sessions, or one, six-hour session. For classes spanning lunch time, bring a sack lunch. Prerequisite: successful completion of Level 2 or permission of instructor. Close-toed shoes required (no sandals or flipflops). Cost: \$33/Archer.

## GIRL SCOUT JOURNEY

MAKE A DIFFERENCE IN THE WORLD  
AND HAVE FUN DOING IT!

Go on a Girl Scout Journey and team up with friends to:

- Identify a problem you want to do something about.
- Come up with a creative solution that will make a difference.
- Create a team plan to make that solution a reality.
- Put your plan into action.
- Talk about what you learned—and what you can't wait to do next!

It's Your World—Change it!

It's Your Planet—Love It!

It's Your Story—Tell It!

Choose from three series of Journeys at every grade level.

Pick the Journey topic that interests you most and makes the most difference, whether it's caring for animals, helping others get healthy and fit, spreading kindness, saving the planet, taking a stand for girls, creating community—or any other issue that's really important to you.

As you go on your journey, you'll earn awards to put on your uniform. They'll let others know about the awesome things you've done—and remind you of what you accomplished and the fun you had along the way.

Mindbender Mansion is produced and toured by the Oregon Museum of Science and Industry, Portland, Oregon. ©2016.

### MODELING DIVAS

Be a model for a day! Since 2013, Philana Marie Boles, a native of Toledo Ohio, has been training local commercial print models for confidence, fun, and professional modeling opportunities. Girls of all shapes, sizes, and looks can book their own professional model coaching session. Participants will participate in a photo shoot and receive a finished photo of their best shot. This workshop works well with the It's Your Story-Tell It! Journey series and performance badges.

### ACTING DIVAS

Be a star! Philana Marie Boles studied theater at Bowling Green State University and worked for Spike Lee's major motion picture film company in New York as an adult. A graduate of St. Ursula Academy, Philana is the founder of P. Marie Talent Management and offers four workshop series a year entitled "Acting for Film, TV, and Commercials." Classes explore auditioning, acting, and what its like to be an actress. Seven Saturdays with a final recording session on the last class! Participants will each receive a video of their best audition. This workshop works well with the It's Your Story-Tell It! Journey series and performance badges.

### WRITING DIVAS

Learn to write like a pro. Philana Marie Boles is the author of the popular pre-teen and teen novels Little Divas and Glitz. A graduate of St. Ursula Academy and BGSU, Philana has been published by major publishers, such as Random House and HarperCollins, and has worked for Glamour magazine. Philana can teach intro to writing workshops and groups may choose fiction, creative non-fiction, screenwriting, fashion writing, playwriting, or poetry. Participants will each take home individual writing samples. Workshop connects to It's Your Story-Tell It! Journey series and the storytelling badges for each grade level.

### BEAUTY BOOT CAMP DIVAS

Be beautiful! Since 2013, Philana Marie Boles has been training local commercial print models for confidence, fun, and professional modeling opportunities. A graduate of St. Ursula Academy, Philana was a model for Jacobson's Department Store as a teenager and grew up to work for Glamour magazine. Girls of all shapes, sizes, and looks can indulge in a full afternoon of beauty tips! Boot Camp break out sessions can include: skin care, fitness and nutrition, hair care, nail care, fashion techniques for your body type, and even walking in heels. Workshop meets requirements for Healthy Living badges for each age level.

### CLEAN YOUR STREAMS

This annual river cleanup hosts hundreds of volunteers as they clean dozens of miles of stream banks in the Toledo area in various river systems. All collected trash is recorded with the Coast Week's Clean Up and the International Coastal Cleanup. An Appreciation Picnic is held giving results, lunch, and Challenge Awards.

Date	Time	Location
09/17/2016	8:30 a.m. - Noon	Various river systems, Toledo

### GET THE LEAD OUT

Collect fishing line and lead from a small stretch of the Maumee River, after the heavy fish runs occur in the spring. Groups schedule outings according to their own schedule and weather throughout the summer. Additional educational opportunities are available. All supplies, maps, and training are provided. The outings can be guided or unguided.

Date	Time	Location
Early June 2017	Various	Maumee River, Toledo

### STORM DRAIN MARKING WITH GLOBAL YOUTH SERVICE DAY

Mark storm drains in local neighborhoods with the phrase "Drains are for Rain, Flows to Waterway" and pass out educational flyers about protecting drinking water to homes in connecting municipalities. Groups typically use spray paint on drains and clean up trash along the way. All maps, supplies, and training is provided. This activity can be scheduled throughout the summer and done in various city locations.

Date	Time	Location
Mid-April	Various	Various

### YOUTH PATCH DAY WORKSHOP

Learn about our local fresh water sources, how to protect them, and how to take ownership of them. Multiple activities meet requirements for the Partnering for Clean Streams patch. Topics include water treatment plants, biology of aquatic life, rain gardens, storm drains, agriculture, and more. The workshop is open to non-Girl Scouts and registration is required. Cost: \$5/Girl • Adults Free.

Date	Time	Location
1st or 2nd Sun of Mar 2017	1:00 p.m. - 4:30 p.m.	University of Toledo

### CLEAN YOUR STREAMS 365

Volunteer groups of any size can borrow supplies to clean various river and stream side sites in the Toledo area. PCS will provide all the supplies, maps, instructions and coordinate logistics for your group to clean a site, on your time, making this program flexible to weather changes or your schedules. Sites will be assigned based on accessibility and ease for your age of scouts.

### FISHING LINE RECYCLING, ADOPT-A-BIN

Fishing Line recycling bins will be placed in various high fishing traffic locations around the greater Toledo area. They collect discarded fishing line that must be collected and turned in for recycling. Volunteers collect line from fishing line recycling bins, 2-3 times a month depending on fishing traffic. Collecting this fishing line reduces that amount of fishing line left in the local rivers potentially endangering wildlife and enhancing recreation on the waterways.

### ANIMAL HABITATS

Seek evidence of wildlife that live in a variety of habitats around Mac-A-Cheek Castle. Inside the building, look at natural history specimens including a rare mastodon tooth. Build a nest or paint a bird house, listen to calls, investigate pelts, and enjoy stories or games designed to teach more about animals in their habitats.

Date	Time	Location
10/08/2016	10:00 a.m. - Noon	Piatt Castles in West Liberty (Logan County)

### BUGS

Discover where different bugs live, by searching the habitats at Mac-A-Cheek Castle. Collect the bugs in specimen houses for examination with magnifiers, while learning from nature experts and Ohio wildlife resources. Bug crafts can include working with clay or origami. Other fun includes playing with bug puppets.

Date	Time	Location
09/10/2016	10:00 a.m. - Noon	Piatt Castles in West Liberty (Logan County)

### FLOWERS

A 19th century garden planted in front of Mac-A-Cheek Castle and the drawing room where flowers were painted on the ceiling in 1881 are the settings for a badge workshop focused on art, science, and uses of flowers. Plant flowers to keep, and paint blossoms grown in the wild. Play games to learn about the Language of Flowers, during Victorian times and, like the Piatt family, write a poem about flowers at the Castle.

Date	Time	Location
05/13/2017	10:00 a.m. - Noon	Piatt Castles in West Liberty (Logan County)

### MAKING GAMES

Have fun learning about the past when you roll and toss hoops, and play games and games described in children's books from the 1830s and 1880s. A scavenger hunt through Mac-A-Cheek Castle will take you to more toys and good times. What could be better than playing hide and seek around a castle and creating your own game about the setting?

Date	Time	Location
04/29/2017	10:00 a.m. - Noon	Piatt Castles in West Liberty (Logan County)

### MY FAMILY STORY

The land around Piatt Castles has been occupied by seven generations of the Piatt family and the building named Mac-A-Cheek Castle has housed five of those generations. Hear stories about how each generation made a living and lived in the house through changing times and changing technologies. Take a scavenger hunt to create a family tree about the Piatt family as you also learn to make your own family and story trees.

Date	Time	Location
11/05/2016	10:00 a.m. - Noon	Piatt Castles in West Liberty (Logan County)

### PAINTING

Visit Mac-A-Cheek Castle, which was once the home of an artist named Ella Kirby Piatt. Investigate pages from her sketch book, portraits in her home, and complex frescos on walls and ceilings created by 19th century painters. Work with an artist to practice both freehand and stencil techniques.

Date	Time	Location
06/10/2017	10:00 a.m. - Noon	Piatt Castles in West Liberty (Logan County)

### PLAYING THE PAST

Work with trained dramatists and use the resources of Piatt Castles to develop a character and create a play. The Castle becomes the setting for a drama about people in the past or an adventure of your own creation.

Date	Time	Location
11/12/2016	10:00 a.m. - Noon	Piatt Castles in West Liberty (Logan County)

### PUBLIC SPEAKER AND TROUPE PERFORMER

Work with Margaret Piatt, who began speaking publicly as a teenage tour guide in her family's historic house museum. She has built a career as a speaker and stage director in museum, regional, and university theatres. She will teach improvisational skills, effective use of voice and gestures, and dramatic techniques in the setting of Mac-A-Cheek Castle.

## ROMAN CATHOLIC AWARDS

### I LIVE MY FAITH/FAMILY OF GOD CATHOLIC FAITH EVENT

Join girls from across the Diocese to earn your grade level’s Roman Catholic Faith Award—the I live My Faith Award (4th-6th grade) or the Family of God Award (2nd-3rd grade). Learn more about your faith and how to live it out, through discussion, crafts, and activities led by adults from the Catholic faith. This event, hosted by St. Michael the Archangel School in Findlay, will culminate in a 4:30 p.m. Mass and then a formal celebration at Rosary Cathedral in Toledo, where Bishop Thomas will present the religious awards earned. You will be asked to complete some pre-work before arriving at the event. Look for more information about pre-work and the celebration mass in our confirmation email two weeks prior to the event.

### TARZAN THE STAGE MUSICAL

Washed up on the shores of West Africa, an infant boy is taken in and raised by gorillas who name him Tarzan. Apart from striving for acceptance from his ape father, Tarzan's life is mostly monkey business until a human expedition treks into his tribe's territory and he encounters creatures like himself for the first time. Tarzan struggles to navigate a jungle, thick with emotion, as he discovers his animal upbringing clashing with his human instincts.

### ART ALIVE!

Learn how to admire great paintings and ask questions about them. In an acting class, your troop will learn how to bring these works of art to life through self-expression. Then, each group will perform to show what they learned! Cost: \$225/Troop.

### SPRING DAY: NATURALIST/ANIMALS BADGES

Take a journey into the imagination, where you'll learn about different landforms, animals, and seasons. By searching for a lost caterpillar and befriending helpful animals along the way, your troop will gain an appreciation for the beauty of the great outdoors! Cost: \$250/Troop.

### INTO THE HIVE: SCIENCE & TECHNOLOGY BADGES

Are the bumblebees disappearing? Take part in a scientific investigation into the world of bees, and by applying the scientific process, interpret the buzz of data. By the end, your troop will understand the plight of the humble bumblebees and be able to take steps to save them from extinction! Cost: \$250/Troop.

### MY PLATE: HEALTHY LIVING BADGES

Learn about a healthy, balanced lifestyle with foods from My Plate and a steady regimen of exercise. A lively session of games, music, and dance make this a very popular workshop!

### PAGE TO STAGE: PERFORMANCE BADGES

Have you ever wanted to bring a story to life? Take a simple story from the page and translate it into a show! This one-session workshop will equip you with the tools of an actor and unlock your imagination.

### ONCE UPON A TIME: STORY TELLING BADGES

Enter the world of fairy tales! We'll use a Native American legend that is strangely similar to another well-known fairy tale. By looking at the cross-cultural connections, we learn about universal human themes that are found in many fairy tales. By the end, you'll be creating your own and performing them for each other!

**BUGS BADGE**  
 Learn about, meet, and touch insects that begin their life cycle in the quarry and under the surface of Cranberry Run in the nature preserve. Discover how they function in the ecosystem and their impact on human life. Take a hike around the gardens and see the many insects that pollinate the flowers and trees.

**HIKER BADGE**  
 Make a butterfly or honeybee snack (fruits and in-season edible flowers) before going on a sights and sounds scavenger hunt around the gardens.

**ANIMAL HABITATS**  
 Take a guided tour of the farm animal sanctuary and discover how animals came there from lack of proper care and shelter. Understand their habitats, meet educational wildlife ambassadors, and discover their needs. Walk along the trails, and view the clear stream that supports fish and animals.

**FLOWERS BADGE**  
 Walk around the gardens and learn about the flowers that grow there. Learn why flowers are planted in certain locations and how Ohio settlers used flowers. Make a tussy mussy—a flower bouquet that relays a message by the types of flowers it contains. In spring, take a wildflower hike along the trails of the nature preserve, identifying wildflowers, and hearing how settlers and Native Americans used some of them for food, healing, and dyes.

**GARDENER BADGE**  
 Learn about plants that grow without the use of pesticides or herbicides and how Ohio settlers and Native Americans used herbs for healing, cooking, and to repel biting insects. Select herbs to make a bundle for fragrance or for flavoring pizza!

**PAINTING BADGE**  
 Discuss how different colors make you feel. Create a painted still-life t-shirt, using these colors and leaves and flowers gathered in gardens and along trails. Bring a plain white t-shirt to complete your project.

**MY FAMILY STORY** Explore family stories and where your family is from. Draw, paint, or collage a story tree. Share your family story through food. Bring a food item (fruit, snack, or drink) that represents your family, and enjoy these dishes together while hearing stories from each other about why the foods you brought are special to the family.

**SCRIBE** Listen to poems, discussing their similarities and differences, and then create your own. Learn about autobiographical stories, creative nonfiction, and memoirs, before you write your own one-page "sketch." Discuss the five W's (who, what, where, when, why) and learn and practice interviewing techniques.

**PUBLIC SPEAKER** Find your voice, and learn about performing solo, body language, and voice. Share your life story in your own voice, a dramatic voice, and a comedic voice. Give a speech about something you believe in at a podium, using the microphone.

**SCREENWRITER** What makes a good script? Learn ways to find ideas for stories and how to build the plot. Develop characters and situations, making lists, charts, or clusters. Write and perform a script in a read-around.

**NOVELIST** Deconstruct a novel. Discuss characters that might apply to people you know or characters you have seen on TV, in movies, or in books. Make a list of character traits they would like their character(s) to possess. Write your own 20-page novel and share in small groups to receive constructive feedback for editing.

**Tours for Girl Scouts®**

**Empowering Girl Scouts through travel**

“I never realized how important international travel is and the effect it has on girls, not only in the U.S. but also around the world. The experience is one that I will never forget.”

**BLAINE, TRAVELER**

At EF Tours for Girl Scouts, we believe that every girl deserves the opportunity to experience new countries, cultures and perspectives. Which is why we partner with councils and with Troop Leaders to provide Girl Scouts with the chance to go beyond their community and create life-long travel memories with their troop. Our team of travel experts is here to help with every step of planning your all-inclusive tour. Imagine your girls attending pinning ceremonies at a WAGGGS World Centre or meaningful service projects in Peru, returning home with newfound courage and character—and the confidence to change the world.

## CAMPING

Girl Scouts of Western Ohio offers many outdoor learning opportunities for adult volunteers throughout the year to prepare them to implement the Girl Scout Leadership Experience with girls. The type of trip or camping experience your troop is participating in will determine the level of training that is required for the leaders.

### LODGE CAMP TRAINING

Train to take troops to camp overnight in a council-owned lodge or cabin. Learn about planning, progression, preparation, safety, site orientation, and resources. Prerequisite: Read Trip and Overnight Planning Training Manual. Lodge Camp Training can also be completed through home-study guide. For another option for training with your girls, see Camping on page 22.

# TROOP CAMPING

Camping is a Girl Scout tradition that started with Juliette Gordon Low herself! Camping is a great way for a girl to explore nature, practice her leadership skills, and bond with other girls and adults in her troop in ways that are different from regular troop meetings.

## WHAT IS TROOP CAMPING?

Troop camping is an overnight camping experience for 24 or more consecutive hours that is planned and carried out by a troop and its leaders using sites approved by the council. Each troop going camping must have proper girl/adult ratio and at least one adult qualified to administer first aid. See Safety Activity Checkpoints for both of these requirements. In addition, an adult must be certified for camping. Visit [gswo.org](http://gswo.org) for more information on camp training.

## CAMP & SITE RESERVATION REQUESTS

Girl Scouts of Western Ohio (GSWO) operates several facilities that are available for rent by council troops, outside Girl Scout troops, and other organizations.

### RESERVE A CAMP PROPERTY

Members are encouraged to reserve camp properties online. It's faster and easier for you, less expensive for the council, and it's green! However, you do have the option to submit a paper form.

### RESERVE A GIRL SCOUT CENTER

Currently, no online reservation option is available for members to reserve Girl Scout Centers. Please follow the steps below for submitting paper Camp and Site Reservation requests.

**FULL PAYMENT** is due at the time of reservation, both online and using a paper form.

#### ONLINE REQUESTS

1. Visit [gswo.org](http://gswo.org).
2. Click on the Camp tab.
3. Click on the "Troop Camping" heading in the left column.
4. Scroll to the middle of the page, and click on the "Reserve your space on our Doubleknot Site Today" link.
5. Click on the property you would like to reserve.
6. Follow the easy directions to reserve a facility or site.

#### PAPER REQUESTS

1. Visit [gswo.org](http://gswo.org).
2. Enter "Camp and Site Reservation Request Form" in the search box, and press enter.
3. Select the "Camp and Site Reservation Request Form" PDF file.
4. Complete the form in its entirety - incomplete forms will delay placement.
5. Mail, fax, or deliver to the appropriate Girl Scout Center. No reservations will be taken by phone.

Note: Paper reservation requests can take up to a week or more to process and availability of your requests may change during that time.

## OUTSIDE GIRL SCOUT TROOPS AND GROUPS

Girl Scouts of Western Ohio welcomes troops/groups from other councils to visit our properties; however, no online reservation options are available for outside troops/groups. Please follow the steps for submitting paper requests.

All other outside organizations, please call 888.350.5090 for specific instructions.

## RESERVATION PERIODS

# Highest Awards

**Bronze. Silver. Gold.** Your chance to make a lasting difference in your community and the world!

Girl Scouts who earn the highest awards demonstrate their commitment to making the world a better place. Whether you want to plant a community garden at your school and inspire others to eat healthy for your Bronze, advocate for animal rights for your Silver, or build a career network that encourages girls to become scientists and engineers for your Gold, you'll inspire others (and yourself).

Throughout the process, you will design, plan, and lead a Take Action project that will make a lasting change for the better in your community and beyond.

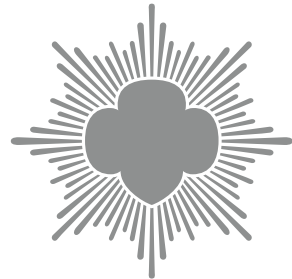

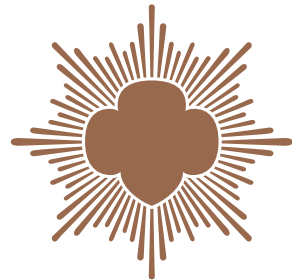

## Are you ready to change the world?

**Bronze Award:** This award is the highest honor a Girl Scout Junior can achieve. You will gain confidence and have fun while working as a team to make a difference in your community.

**Silver Award:** Going for the Girl Scout Silver Award—the highest award for Girl Scout Cadettes—gives you the chance to show that you are a leader who is organized, determined, and dedicated to improving your community.

**Gold Award:** The Girl Scout Gold Award represents the highest, most prestigious achievement in Girl Scouting. As a Girl Scout Senior or Ambassador, you'll use your vision for change to solve a community problem and provide a lasting benefit locally or even globally.

## DESTINATIONS

Are you ready to go where you've never been before? Make friends with a camel? Go ziplining in a jungle? Try exotic cuisines, or ride the waves in Costa Rica? Destinations are special travel opportunities just for Girl Scouts ages 11-18. These nationally sponsored events are hosted all over the country and the world! With more than 40 trips to choose from, there is an adventure perfect for you!

Learn more at [girlscouts.org/travel!](http://girlscouts.org/travel) Plan to attend an informational webinar (see page 35 of this book).

## TRAVEL TRIPS

Girl Scouts of Western Ohio is partnering with EF Tours to host exciting travel trips over the summer for girls in our council. Start planning your next adventure today!

### SUMMER 2017

#### Savannah, Georgia

Visit the birthplace of the Girl Scouts, and experience the southern charm and exquisite architecture of Savannah with your troop.

Learn more and register at [eftours.com/1872974CN](http://eftours.com/1872974CN).

### SUMMER 2018

#### London to Lucerne

Experience incredible adventures that take you through the bustling streets of London, Paris, and high up into the Swiss Alps. Travel with the girls in your troop or individually. Adults interested in travelling will need to be approved by Girl Scouts of Western Ohio.

Learn more and register at [eftours.com/1872976UC](http://eftours.com/1872976UC).

# EARN MORE, DO MORE!

*Make the most out  
of Product Sales!*

The largest girl-run business in the world needs knowledgeable sellers like you! Have fun while becoming an expert in techniques to boost your sales, and use your earnings to pay for opportunities in this book!

Goal Setting

Decision Making

Money Management

People Skills

Business Ethics

## Why Product Sales?

Product sales programs develop five key skills that help Girl Scouts become confident, courageous, and full of character. Both the fall sale and the Cookie Program help girls:

### Build Important Life Skills

Girls work together towards a collective goal as they build five skills.

### Finance the Troop

Earnings can pay for the opportunities in this book and beyond. Girls will feel proud to reach their goal and learn financial independence.

### Be a Team Player

Together as a council we pool our earnings to support camp properties, resource development, program opportunities, financial assistance, volunteer training, this awesome book and more!

Earn awesome girl and troop rewards, including great badges! Learn more: **GSWO.ORG**
