Dear Camp Families,

Greetings from Girl Scouts – North Carolina Coastal Pines Outdoor and Ranger teams! Each summer, we welcome campers back to enjoy the long-cherished tradition of another summer of fun, friendship, and outdoor adventures. Come “Into the Woods,” where we are airing out the tents and cabins, wiping down the canoes, raising the flags, gathering our s’more sticks, and getting ready to welcome our campers to everyone’s favorite place - Girl Scout Camp!

Our camps are designed to provide unique opportunities for campers to discover their strengths, try new things, improve skills, appreciate the natural world, and, most of all, have FUN in a safe, supportive, and healthy camp community. Camp is full of opportunities for personal growth; whether it’s a camper’s first week away from home, climbing the Alpine Tower, setting a course to sail on the lake, or learning more about themselves while building courage, confidence, and character... campers are sure to pick up a skill or two.

This summer, we go Into the Woods for resident camp at Camp Graham and Camp Mary Atkinson. Each week at camp, campers will participate in activities that are based on our weekly themes while enjoying their camp favorites such as archery, boating, swimming, hiking, arts & crafts, and making new friends. We are excited about the return of our Camp Mary Atkinson horse camp program, where campers get to try their hand at English-style riding while experiencing the joy of being in our camp environment. If your camper is looking for a shorter stay at camp, make sure to check out our Mini-Week sessions at both Camp Graham and Camp Mary Atkinson. If you are looking for a day-only experience, consider our Day Camp Program at Camp Mary Atkinson or check out your local day camps (available online March 2023).

For campers who are looking for a troop camp experience, we have two ways to do that this summer. Join us for our Troop Camp at Camp Graham in July, or consider making a reservation at Camp Hardee to enjoy this beautiful property on the Pamlico River, or the in the Sandhills of Camp Mu-Sha-Ni.

We know that by sharing your camper with us, you are placing the utmost trust in our ability to take good care of them and ensure that they have a safe and memorable camp experience. This is a responsibility that we take very seriously! Thank you for sharing your camper with us.

Camp open houses are a great opportunity to spend a day at our camp properties, tour our facilities, preview our summer activities, and get your camper excited about the new skills, friendships, and adventures they will have. Camp open houses are: Camp Hardee - March 5, Camp Mary Atkinson - March 12, and Camp Graham - March 26.

We can’t wait to welcome you Into the Woods!

Yours in Girl Scouting

All of our camps have received ACA Accreditation. This and every year, health and safety is at the forefront of our planning. GS-NCCP served over 1,500 Girl Scouts with in-person summer camps in 2022. We remain committed to following the most up-to-date COVID-19 guidance and will communicate specific plans for summer 2023 as we get closer to the start of camp.

What's in Store at Camp

Girls dive into a whole new world of activities at Girl Scout camp — swimming freely in lakes, working together to steer a canoe, practicing making the perfect shot in archery, exploring nature during an afternoon hike, learning to cook over a fire, and cheering on friends as they challenge themselves to try new things. Girls also strengthen their skills and grow their passion for environmental stewardship through our outdoor leadership programming.

When a camper goes to camp they will...

- Grow in self-confidence and know they have a voice that counts
- Learn to support others and be supported
- Build friendships
- Develop skills in communication, and decision making
- Create a community that celebrates differences
- Discover that they are able to achieve anything

Every day at camp truly is a new adventure. No two days are ever the same. Each week, campers will experience a variety of activities while exploring the weekly camp theme. While weekly themes are used to differentiate our sessions, all campers enjoy traditional camp activities each week such as swimming, canoeing, archery, arts and crafts, and much more!

Frequently Asked Questions

Q: Who can attend Girl Scout camp?

A: Camp is open to all girls ages 5-17. Some programs have entering grade requirements or prerequisites that must be met to ensure the health, safety, and well-being of all campers.

Q: My camper is not a member of Girl Scouts – North Carolina Coastal Pines but would like to attend camp. Can she attend? Are there additional fees?

A: Girl Scout camps are open to all girls. Girls who are not members of Girl Scouts will pay an additional \$100 on their total camp bill per session. Girl Scout members not with Girl Scouts - North Carolina Coastal Pines will pay an additional \$75 on their total camp bill per session.

Q: Where will campers sleep?

A: Girls are grouped into units. Depending on their program choice, campers may sleep in cabins, treehouses, or platform tents depending on the camp. Each unit has trained counselors housed in separate quarters within the living unit, close enough to supervise campers. In select sessions at each camp, counselors sleep in the same cabin as girls. Unless noted in session charts, lodging assignments will not be given prior to check in at camp.

Q: Can my camper attend camp with a buddy/friend?

A: During registration, a buddy's name can be listed. Buddies must be in the same age group and must register for the same session and both campers will need to request each other. We are not able to honor requests for more than one buddy.

Q: Who are the camp staff?

A: Camp staff are enthusiastic, talented, and caring individuals. They are selected based on maturity, program experience, and genuine passion for working with girls. Our staff are all 18 years of age or older, with the exception of older Girl Scouts who have previously completed our Counselor-in-Training (CIT) Programs.

Q: What type of training does camp staff receive?

A: Before camp begins, staff attend an intensive on-site training which includes activity programming, outdoor skills, songs, games, first aid and mental health safety, emergency procedures, communications, program age level characteristics, diversity, equity & inclusion training, working through homesickness, and more.

Q: My camper has specific dietary needs or restrictions. How are menus managed at camp?

A: Menus are planned with the general camp population and economy of associated costs in mind. We will make every attempt to provide for special dietary needs within the scope of our regular menus. We are not able to guarantee the complete absence of a particular allergen on camp property. Please contact the camp director at 800-284-4475 for more information.

Q: My child has specific needs. Can she attend camp?

A: Each year, many girls with specific needs participate in our camp program(s). Girls must be able to function in a 6:1 girl-to-adult ratio. Specific needs may include a range of physical, medical, developmental, dietary, behavioral, or communicative abilities. It is our hope to be able to serve all girls wishing to attend camp. Providing a safe and positive experience for all campers is of utmost importance to us. We reserve the right to make decisions of participation based on the extent of the girl's needs and our ability to meet those needs in the camp setting, as well as other factors deemed appropriate. We are concerned about the health and safety of all campers, and we want to ensure we have appropriate professional and medical services to meet needs. Please contact the camp director at 800-284-4475 to discuss the camp program and nature of your girl's needs.

Q: Can my camper call home during the week?

A: Campers are not permitted to make or receive phone calls. We encourage independence and self-reliance during camp. The camp director will contact caregivers if a camper has a medical problem, is excessively homesick, or has an emergency. Please let your child know before camp that she will not be able to call home and that you are comfortable with this arrangement. It is important not to send your child to camp with a cell phone. There is little coverage on our properties, and more importantly, it will send a conflicting message to other campers. We are partners with you in your child's summer experience, and we hope that you will support us with this camp policy.

Q: Can I visit my camper during a camp session?

A: To help maintain program continuity and ensure the safety of campers, visitors are not allowed on our camp properties during any of our summer camp sessions..

Q: What happens if my camper has a difficult time adjusting to camp?

A: Camp staff will do everything possible to help girls adjust to camp life. However, our camp directors reserve the right to send home any camper who consistently exhibits inappropriate behavior or endangers themselves or others. A camper's parent/guardian is responsible for picking them up and fees will not be refunded.

Q: What measures are taken to ensure my child's safety while at camp?

A: We are dedicated to providing safe and secure camps. Each camp follows the guidelines set by the American Camp Association as well as those set by Girl Scouts of the USA through Safety Activity Checkpoints. Staff are housed in close proximity to camper cabins and tents. Camp buildings and grounds are checked nightly. All camp staff and adults spending the night at camp must successfully complete a criminal background check.

Q: If our plans change, how do I cancel my child's session? Can I get a refund?

A: Please notify our customer care team at helpdesk@nccoastalpines.org or 800-284-4475, as soon as possible if plans change and your camper can no longer attend camp. Once you register for a session, you have made a commitment to that session and are responsible for payment in full. Refunds are available under special circumstances. Please see page 22 for our refund and cancellation policy.

Q: When is the last day to register for camp?

A: Camp registrations will close two weeks prior to the session your camper wishes to attend. Exceptions can be made if space is available. Please contact Customer Care at helpdesk@nccoastalpines.org or 800-284-4475 for assistance if registration has closed.

Q: When can I expect to receive confirmation information about Summer Camp?

A: Once you have completed your registration for camp, you can log back in your MyGS account and have access to the 2023 Summer Camp Confirmation by selecting the camp name on your My Events page. Confirmation packets will also be emailed on May 1, 2023 to all campers registered at that time.

Camp Mary Atkinson

Days at Camp Mary Atkinson bring tons of adventure through activities such as boating, archery, swimming, and crafts - just to name a few! Girls rotate through activities with their lodging unit, while horse campers head to the barn for their day of riding and other activities. Depending on age and ability, girls may canoe, kayak, or paddleboard on our small lake.

Girls will find themselves exploring nature trails, fishing and playing games at CMA. Those entering grade 4 and up may have a chance to climb the Alpine Tower: the best view at camp! The evening brings flag lowering, dinner, and an evening activity such as a pool party, large-group game, or an all-camp activity based on the weekly theme. During the final evening at camp, girls will enjoy a Girl Scout staple - a campfire. Staff lead everyone in much-loved camp songs and units perform skits they've created and practiced throughout the week.

If you can't quite imagine what it all looks like, come see for yourself! We'd love to have you stop by our free open house on March 12 to check out our facilities and meet some camp staff.

Summer Leadership Camp-Entering Grades 6th-8th

Application Only!

The leadership-building program consists of two parts. The first part of the week, campers learn about the twists and turns of the maze of life; through group activities, girls will explore communication, relationships, group dynamics, values in action, personal leadership styles, and the importance of balance. Throughout the second part of the week, campers will work on a Take Action Project: a leadership and service project to help improve their community. The girls' time at camp will be rounded out by participating in camp activities such as canoeing, archery, climbing the Alpine Tower (a 50-foot climbing structure), and sleeping in cabins. On Friday, campers will travel to a local college to continue their experience and get a peek at what college life is like. While at camp and at a local college, campers will get the opportunity to have conversations with women community leaders. Leadership Camp is open for all Girl Scouts entering grades 6th-8th who are interested in building their leadership skills while exploring our camp. Leadership Campers are offered full or partial assistance. Applications will be available on February 6th at www.nccoastalpines.org

Resident camp registration opens on February 6, 2023, for GS–NCCP members and March 1, 2023 for all others. Any girl who will be entering grades 1 through 12 as of Fall 2023 can register for resident camp at that time, regardless of whether she is a Girl Scout member or not. Non-GS–NCCP Girl Scout members will pay a \$75 fee per session; non-Girl Scout members will pay an additional \$100 non-member fee per session. This is an additional fee added to both early bird and regular camp pricing.

Note: Fees for camp extras are due at the time of registration.

Deposit

A \$100 non-refundable deposit is required for all resident camp registrations. The balance of the registration fee is due by May 1.

Final Payment Date

Camp fees must be paid in full by May 1, 2023. Your camper’s registration may be canceled, and no refund will be made if the registration is canceled for non-payment. Depending on the number of girls on the waitlist, your camper’s slot may be filled immediately. Please be mindful of this important date, as we usually have other waitlisted girls who want to attend camp. Payments can be made online or via cash, check, credit card, or Cookie Dough at one of our four service center locations. Financial assistance is also available for those in need.

Early Registration Incentive

All registrations placed prior to March 31, 2023 will be billed at the discounted rate published in this year’s program guide. Any registration received after March 31 will be billed at the higher rate listed in the guide. The non-member fee will be added to the registration fees regardless of whether the registration is received before or after the early bird pricing ends on March 31.

Paying for Camp the Cookie Way Camp as a Superstar Destination

Cookie Dough earned during the Girl Scout Cookie Program through Superstar Destinations from the 2022 and 2023 sale may be applied toward resident and troop camp sessions, Trading Post gift cards, day camps, and council-sponsored events. Girl Scouts with sales from 500 packages and up qualify for Superstar Destinations. The easiest way to apply cookie dough toward these activities is to choose this option on the Superstar Destinations form which Caregivers must fill out for their Girl Scout at the end of the cookie sale program. For more information about paying for camp using Cookie Dough or to apply your Girl Scout's cookie dough, please contact the Customer Care team at helpdesk@nccoastalpines.org or 800-284-4475.

Employment Opportunities

You can get paid to have fun at camp! Girl Scouts – North Carolina Coastal Pines is hiring staff for our resident camps. Positions include unit counselors, waterfront staff, program staff, kitchen staff, and health supervisors. Staff members receive a salary, meals, housing, and training.

Are you in the health care profession? We are looking for healthcare professionals to serve as the health supervisor for a week or the entire summer at both resident camps. Working at camp is a great way to experience the fun of the campers and get paid too! If you would like to know more about job opportunities, please contact

summercamp@nccoastalpines.org or 800-284-4475. Camp staff must be at least 18 years old.

Apply online at www.nccoastalpines.org. Girl Scouts – North Carolina Coastal Pines is an Affirmative Action Equal Opportunity Employer.

Girl Scouts – North Carolina Coastal Pines understands the value of camp for our Girl Scout families. That’s why we’re dedicated to offering these important programs at affordable rates. Camp fees cover most council direct costs such as food, program supplies, supplementary health and accident insurance, and camp counselor salaries. Indirect costs such as planning and administering the program, registration, and property maintenance are costs subsidized by the council. Did you know that cookies help to make summer camp happen? Proceeds from the Girl Scout Cookie Program help our council provide high-quality summer experiences for all girls.

GS – NCCP spends \$900 per girl to give her an amazing week at one of our Girl Scout resident summer camps. Most families are only asked to pay half the cost per girl. Even with that low rate, we know that camp can be out of reach for some families. That’s where camperships come in.

Camperships

Financial assistance in the form of camperships enables all girls to enjoy the Girl Scout camp experience. Camperships are made possible thanks to our many generous donors and are available to currently registered Girl Scouts – North Carolina Coastal Pines members who need assistance paying for the total cost of camp.

To be considered for a campership, a girl must be a registered Girl Scout member, have selected and registered for her summer camp session, and paid the deposit fee. For more information about camperships or to apply online, please visit www.nccoastalpines.org. You can also apply by mail; a request form is included on [page 27](#). Applications are due by April 1, 2023.

Please note: Families may apply for financial assistance for Girl Scout Members of GS - NCCP, the award amount will vary and generally does not exceed \$350. Awards are limited to one session per Girl Scout member.

Sue “Skipper” Csorba Award

The Sue “Skipper” Csorba Award is a campership honoring Girl Scout alumna from Annapolis, Maryland. As a troop leader, Sue was committed to giving girls outdoor experiences and determined to have an inclusive troop of girls from all races, incomes, and family situations. With Sue Csorba’s vision and passion in mind, the fund provides a limited number of camperships each summer. Girl Scouts – North Carolina Coastal Pines will provide these awards based on need, and will consider a variety of factors including financial need, family, and home situation. Priority is given to first-time campers.

Application are due on April 1, 2023.

Recipients will be notified of their award by April 21, 2023.

Need assistance with your camp deposit? Check out our deposit assistance form found at www.nccoastalpines.org. This form will open on February 6. Once this form is completed, your camper’s registration will be processed by our Customer Care Team within 3 business days. Questions? - contact helpdesk@nccoastalpines.org or call 800-284-4475.

You can make summer resident camp possible for a girl! Just mark your donation to the Campership Fund during the online registration process or on the registration form. Donations are tax deductible to the extent allowed under the law.

When you think about going “Into the Woods,” the prospect might be exhilarating but also a bit scary. What if it’s dark there? Or there’s something dangerous? Or you get lost?

Believe it or not, sending your Girl Scout to camp might be the best way to get them to tackle something they find scary. 86% of younger campers and 73% of older campers last year said that doing outdoor activities in Girl Scouts helped them overcome at least one fear. That’s because Girl Scouts provides campers with a safe, supportive place to explore and take risks. The overwhelming majority of those same campers—90% of younger campers and 78% of older ones—said they felt like they belonged at camp. At Girl Scouts - North Carolina Coastal Pines, we want to ensure all girls can grow in courage, confidence, and character as they head Into the Woods.

Girl Scouts - North Carolina Coastal Pines strives to provide financial assistance to every Girl Scout that needs it. Typically, over 250 girls receive financial assistance each year to make their camp dreams a reality.

This is where you can help. Generous campership donors like you ensure that camp is possible for any Girl Scout who wants to go, no matter her family’s circumstances. You can make a future camper’s dreams come true by making a campership donation today.

There is plenty of research on camp’s benefits for kids, including increased independence, confidence, and leadership, as well as mental health benefits from being outdoors. Girls from every background deserve the opportunities camp provides.

Please make a campership donation so all Girl Scouts can tackle their fears and say about their camp experiences, “I had a great time and thanks for making this possible”!

I want all Girl Scouts to go Into the Woods!

Every gift will make a difference in helping us award nearly \$40,000 in financial assistance this summer.
