# Hey, Girl Scout!

At Girl Scouts – North Carolina Coastal Pines, we’re gearing up for big, bold adventures with all of our Girl Scout friends, families, volunteers and partners. Are you ready?

With Girl Scouts, you have the incredible opportunity to try new things in a safe and supportive environment where troop members, volunteers, and staff stand ready to champion you as you challenge

yourself in new, exciting ways. So, whether you aim to pursue a highest award, lead your own service project, or attempt to kayak for the first time, we’re all here to cheer you on along the road to becoming the best version of yourself!

With programming in entrepreneurship, life skills, outdoors, and STEM (science, technology, engineering, and math), Girl Scouts are encouraged to step outside of their comfort zone, while developing new skills and honing their passions. Outside of the comfort zone is where grit and determination turn into goals achieved and memories made. This is a place where Girl Scouts can leverage their creative thinking to solve problems, build a courageous spirit, and prove that when powered by Girl Scouts anything is possible.

Our 2022-2023 Program Guide offers both in-person events and virtual programming including badge-earning events, trainings, and life-changing opportunities aimed at inspiring the challenger-seeker and change-maker, and of course, the leader in you. Go ahead, step outside your comfort zone with us – unique opportunities with old and new friends are waiting!

At Girl Scouts, the health, safety, and well-being of our members and the member experience remain top priorities. Our events this year will be planned based on current health and safety protocols as guided by the Governor’s office, CDC, and other health agencies. Because this is constantly evolving, other events may be added to our Activity Calendar as they are finalized.

**We can’t wait to see you this year!**

## My GS

My GS is your digital one-stop shop for all things related to your Girl Scout experience. To access My GS, visit [nccoastalpines.org](https://nccoastalpines.org) and select My GS from the menu bar. If you have participated in activities or a troop in the last two years but have not accessed your account recently, then you may need to reset your password using the “Forgot Password?” link. If you have not participated in our program recently, then create a My GS login by selecting the link “Don’t have an account? Sign up now.” Using My GS, you can...

## Use this guide to:

**Review** the Girl Scout Leadership Experience and changes this year

**Register** individually or as a troop

- Update contact information for **each person** in your family in **My Household**. Edit the profile for each person that needs to be updated so you don’t miss out on important communications, supplies mailed for virtual events, etc. Please note that updating the address for one person in the family does not update the address for everyone. Also, the system will not allow you to list the same email address for more than one person. Each adult that has an email address on their account must use their own unique email address.
- Renew or purchase memberships for your family through **My Household**. Check the box where you see “Time to Renew” as the status OR scroll to the bottom of the page and select “Register a new household member”.
- Check contact and meeting information in **My Troops**.
- Change your password, employer information, etc. in **My Profile**. Please note that any changes to contact information here will not be reflected on other members of the family. Those changes can be made through **My Household**.
- Register for events and camps in **My Events**. You will need to know the zip code of the city where the event takes place or expand the search radius from your zip code up to 90 miles. For event registration tips and a list of zip codes for our council properties, visit the Help Desk page on our website and select Activities. For virtual events, use 27613 as the zip code.
- Keep up with your troop calendar and meeting information in the **Volunteer Toolkit**.
- Gain the essential skills and knowledge to be a Girl Scout volunteer in **gsLearn**. You can also enhance your own personal and professional skills through any of the modules available in the Content Library.

*Only registered adult members have access to gsLearn.*

# Activity Financial Information and Policies

Girl Scouts – North Carolina Coastal Pines is proud to offer financial assistance to ensure every girl has the opportunity to learn, grow, and thrive. To review the Girl Scouts - North Carolina Coastal Pines' full cancellation and refund policy and to learn more about and apply for financial assistance, including Troop Travel Assistance, visit [nccoastalpin.es.org](http://nccoastalpin.es.org). The complete financial assistance policies can be found by selecting Activities from the main menu bar at the top choosing the Financial Information and Policies webpage from the menu on the left. All activity financial assistance requests are completed online only. For questions, contact the Help Desk at [helpdesk@nccoastalpin.es.org](mailto:helpdesk@nccoastalpin.es.org) or 800-284-4475.

## Cancellation and Refund Policy

Girl Scouts – North Carolina Coastal Pines reserves the right to cancel an activity due to insufficient registration, acts of nature, or any other reason beyond our control. Council-sponsored activities are held rain or shine, unless inclement weather adversely affects the program. If an activity is cancelled or rescheduled, registered participants will be notified and refunds processed accordingly. A significant amount of planning time and money are spent months prior to the opening of council-sponsored activities and trainings. Prompt cancellation notification allows time for girls who may be on the waiting list to attend the activity. Our refund policies require notification to be provided by the customer to the Help Desk at least 15 days prior to an activity. Please review the complete policies on our website.

## Financial Assistance Information

Requests for financial assistance are confidential and based on personal information establishing the applicant's need. See below for the types of applications. Applications are available on our website. If you have Medicaid, you may be eligible for a Girl Scouts membership as part of your benefits. Please visit [gsnccp.wufoo.com/forms/z1s0fyst1jquttr/](http://gsnccp.wufoo.com/forms/z1s0fyst1jquttr/) to learn more.

## Activity Financial Assistance

Financial assistance is available for registered Girl Scouts who would otherwise be unable to attend council-sponsored activities.

- Financial assistance is available for all events that cost \$15 or more.
- To request financial assistance and reserve your spot, choose “apply for financial assistance”, pay the deposit when registering for the event, and complete the Individual Financial Assistance Request application.
- To review the entire Financial Assistance policy and complete the Individual Financial Assistance Request application, visit the Activities page on our website and select Financial Information and Policies from the menu on the left. Your event registration is not complete until you have paid the deposit in gsEvents and completed the application form.

## Troop Travel Assistance

Troop Travel is defined as an event, trip, or project that goes beyond the ordinary troop program and enhances the Girl Scout experience. Due to COVID-19, Troop Travel Guidelines will be continuously updated throughout the year to ensure girls are safe. Current guidelines can be found on our COVID-19 Information page. Troop Travel programs are educational in nature and provide growth experiences for girls and persons involved. Only registered girl and adult members may apply for Troop Travel Assistance.

- Troop Travel Assistance applications are due on the first of every month.
- It is recommended that troops and/or individuals submit their applications three to six months in advance of the trip date.
- Please review the full policy and complete the online Troop Travel Status and Troop Financial Assistance Application on the Activities page of the council website, under Financial Information and Policies.

# Adult Supervision Requirements

A minimum of two adults must accompany every troop to an in-person program activity unless otherwise stated. Please consult the guidelines in Safety Activity Checkpoints or Volunteer Essentials for exact ratio information. Our primary goal is to provide quality programming for girls; space may not be available for additional adults above the stated ratio. Please note that if you exceed the number of adults required you may be asked to limit them based on space availability.

If your Girl Scout's troop is not attending an event, she can register to attend individually – for events open to individual registration. We encourage Girl Scouts to take part in events that speak to the person they are and will grow to be. In fact, girl-led activities are the secret sauce of Girl Scouting, and it's easy to see why. When girls step up and take ownership of their decisions, they grow into confident leaders who can make informed and empowered decisions—a valuable skill they'll carry throughout their lives. It might be tempting to step in for girls of any age but remember that giving them space to make their own decisions—and mistakes—is how they'll tap into their most confident selves. That's why we ask that for individual event registration you limit the number of adults attending. Keep in mind facility capacities apply to the total number of girls and adults, so over registering adult members means less opportunity for girls to try new things and grow their confidence. If more than three Girl Scouts from the same troop register for an event, you may be contacted and asked to reduce the adults attending. At this number, we consider this a troop registration and follow the ratios outlined in Safety Activity Checkpoints. Check our Activity Calendar online for more information and to register.

# New Badges and Awards for 2022-23

## Entrepreneurship Badges

### Financial Literacy

The NEW Financial Literacy badges give Girl Scouts the confidence and skills to make financial decisions. For each level, one badge delivers fundamental financial awareness, and one shows how to apply money sense toward future goals. By earning a Financial Literacy badge, with its clear-cut explanations and hands-on activities, Girl Scouts are empowered to take money matters and dreams into their own hands.

#### Money Explorer

Daisies learn about paper bills and coins, what they are worth, and how to use money. They become familiar with denominations of dollars and coins through hands-on counting activities. Then they practice using money by pretending to sell and buy items.

#### My Money Choices

Daisies find out the difference between wants and needs and see how that gives them a head start on managing money more responsibly. They also learn how they might be persuaded to buy things and how to make decisions about money. As a group, they put their skills into action by planning to spend for a fun day with their troop or to use their Girl Scout Cookie™ money to help others.

#### Budget Maker

Juniors discover that the secret to meeting a financial goal is creating a budget. They investigate why they want the things they do and learn about unexpected expenses. Juniors explore what financial services are and how they can help their customers save money. Finally, they come up with a spend-save-share plan for something they or their troop wants.

#### My Money Plan

Juniors find out what it means to earn an income and how to make it grow by saving and investing. They learn about income tax and wages and see how different types of jobs pay different salaries. Juniors also discover how important it is to protect their money and information.

#### Budget Manager

Cadettes make the connection between their spending habits and their core values. They find out about methods and tools to help track their spending and discover tricks to making money decisions. They use teamwork to explore ways for their troop to earn money and set goals for giving back.

#### My Money Habits

Cadettes find out how money is exchanged and transacted, such as peer-to-peer mobile services, credit cards, or online payment systems. They analyze their spending by finding out what influences their purchases. They also learn about debt and investigate financial security and fraud. Cadettes also get investment basics, including what it means to be socially responsible with money.

#### My Dream Budget

Cadettes imagine themselves at age 25 and create a budget to support their future self. They explore their potential earning power, where they might live, and what their daily life might look like. Cadettes consider philanthropy in their plan, then add up all their discoveries by creating a dream budget to finance their future.

#### Budget Builder

Brownies find out how to make shopping choices and budget decisions. They create and build a budget for an imaginary character to help practice what it means to spend and save. Brownies also learn what it takes to be thrifty and careful about spending money.

#### My Own Budget

Brownies learn that when they have money, they are responsible for how they spend it. They find out how other people spend money, what it takes to save, and why it's important to share. Finally, they set goals and create a budget for a spend, save, and share plan.

### **Savvy Saver**

Seniors learn the ins and outs of earning an income, from taxes to salaries. Then they put their budgeting skills to use by coming up with a big expense that requires an ongoing financial commitment. They compare ways to borrow money and make informed decisions about how to make their big expense a financially responsible reality.

### **My Financial Power**

Seniors discover all the ways they can create financial stability, such as building wealth, making wise career choices, and being aware of investment risks. They investigate inflation and what it means for their financial plan and explore how giving back, whether through time or money, can impact a community.

### **Financial Planner**

Ambassadors plan for a future that includes real-life expenses and borrowing money. They take a deep dive into the meaning behind credit cards and loans and understand how both can impact their financial future. Ambassadors take what they've learned and make a commitment to financial responsibility by creating a statement that reflects the habits they hope to have.

### **My Financial Independence**

Ambassadors take charge of their future by creating a budget that includes where they might live and how to manage expenses. They learn about investing and building wealth, and how to protect their money. Ambassadors also plan for charity and giving by finding innovative ways they can share with others and deepen their impact on the world.

## **Life Skills Badges**

### **Daisy Petals**

The NEW Daisy petal badges introduce Girl Scout values to Daisies through engaging, hands-on activities. Each petal badge focuses on a different line of the Girl Scout Law. Each activity includes one or more of the Girl Scout pillars: STEM, Life Skills, Outdoors, and Entrepreneurship. Some activities introduce Daisies to global concepts, while others help Daisies think about their place in the world and provide opportunities to participate in service projects.

#### **Honest and Fair**

Daisies find out how they can be honest and fair to build strong friendships!

#### **Respect Myself and Others**

Daisies find new ways to show respect for themselves, their family and friends, and their community.

#### **Friendly and Helpful**

Daisies practice being friendly and helpful at home, in their troop, and in their community.

#### **Respect Authority**

Daisies explore the rules and laws that they follow in their home, at school, and in their city or town.

#### **Considerate and Caring**

Daisies discover what it means to be considerate and caring to others in different areas of their lives.

#### **Use Resources Wisely**

Daisies find new ways to care for the environment, like conserving resources, reusing everyday materials, and recycling plastics.

#### **Courageous and Strong**

Daisies build confidence as they learn about people who have shown courage and strength.

#### **Make the World a Better Place**

Daisies learn how they can make a difference in the world around them and beyond.

#### **Responsible for What I Say and Do**

Daisies explore the special powers of their words and actions and find out how to be responsible with both.

#### **Be a Sister to Every Girl Scout**

Daisies celebrate their differences, learn about their Girl Scout sisters around the world, and find out how they can support one another.

### **Pets**

In this updated badge, Brownies learn about the different aspects of caring for a pet—from keeping them safe and fed to making them feel loved.

## STEM Badges

### STEM Career Exploration

*One badge per level for Daisies, Seniors, and Ambassadors*

Like the existing Brownie, Junior, and Cadette STEM Career Exploration badges, Girl Scouts at each level explore their passions and interests to find out how they want to make a difference in the world with STEM.

Daisies explore the four areas of STEM and learn about related careers. Seniors and Ambassadors learn about six different STEM fields (Computer Science, Engineering, Nature and the Environment, Creative Technology and Design, Health and Wellness, and Food and Agriculture), explore their career paths, and take the first steps toward their future in STEM.

## Global Awards

### Global Awards

Information about Global Awards is located in the Volunteer Toolkit. Each of the Global Awards in the Volunteer Toolkit are available to be added to your troop meeting plan and can be completed at any time throughout the year.

### World Thinking Day

*1 award for Daisies–Juniors and 1 award for Cadettes–Ambassadors*

Girl Scouts celebrate World Thinking Day (February 22) by discovering a new theme each year, connecting with the global sisterhood of Girl Guides and Girl Scouts, and being active in their communities. The 2023 World Thinking Day theme is “Our World, Our Peaceful Future: the environment, peace, and security.”

### Global Action Award

*1 award for Daisies–Juniors and 1 award for Cadettes–Ambassadors*

Girl Scouts participate in activities that address the United Nations Sustainable Development Goal 12: Responsible Consumption as they think about the waste we create, how it impacts us and our planet, and promote responsible production and consumption in their communities and beyond.

# Entrepreneurship

Girl Scouts channel their inner boss and become an entrepreneur as young as kindergarten! Through our entrepreneurship programs, Girl Scouts learn to think outside the box, manage money, practice people skills, and so much more. Provided with a support system and backed by amazing volunteers, Girl Scouts are able to step outside their comfort zone and not just set goals, but exceed them. By providing a foundation to learn important business skills, Girl Scouts is the perfect place for exploring entrepreneurship as they progress through Girl Scouts.

# Financial Literacy

During the 2022-2023 membership year, individually registered Girl Scouts, called Juliettes, and troops will have the opportunity to participate in two council-sponsored money-earning activities. The Fall Product Program and Girl Scout Cookie Program provide Girl Scouts the chance to run their own businesses and earn proceeds for their troop or program experience. For more information about participating as a Juliette, visit [nccoastalpines.org](https://nccoastalpines.org) > About > Our Program > Ways to Participate

# Product Programs

## Fall Product Program

The Fall Product Program gives girls and troops the opportunity to sell magazine subscriptions (new and renewals) and very popular nuts and candies to earn startup proceeds for their troop. This “friends and family sale” is conducted both face-to-face and via the internet through a secure program.

As part of the Fall Product Program, girls develop e-commerce skills and leverage technology to help them learn and earn as they go. Girls can create their own Fall Product Program digital avatar and even earn a patch featuring the avatar they designed. We have a new troop proceeds plan this year. Girl Scout Junior, Cadette, Senior, and Ambassador troops can choose the 15% proceeds plan with patches and recognitions or opt to receive 18% in proceeds and patches, in lieu of recognitions. Daisy and Brownie troops receive 15% with all patches and recognitions.

### Fall Product Program Important Dates

Oct. 1, 2022	Fall Product program begins
Oct. 21, 2022	In-Person sales end
Nov. 6, 2022	Online sales end

## Girl Scout Cookie Program

The 2023 Girl Scout Cookie Program theme is Go Bright Ahead with the dolphin as our mascot. By focusing on 5 key skills: goal-setting, decision making, money management, people skills, and business ethics, the program is designed to help girls grow into confident leaders.

All Girl Scout troops earn proceeds for participating in the Cookie Program, which can be used to fund troop adventures such as travel, community service projects, council-sponsored activities, and much more. Troops earn proceeds on a tiered proceed plan based on their box-per-girl average. The more troops sell, the more they earn.

In addition to the tiered proceed plan, each Girl Scout is eligible to earn awesome recognitions based on overall sales. Girls earn cool patches for Walkabout Week, Operation Cookie Drop, and selling online through Smart Cookies. Girls are also eligible to earn additional rewards such as themed t-shirts and hoodies, stuffed animals, and even items like computers, cameras, camping equipment and admission to various theme parks, museums and other destinations!

### Cookie Program Important Dates

December 11, 2022	Initial orders due
January 14, 2023	Cookie Program starts
March 5, 2023	Cookie Program ends

## Girl Scouts Give

It's in the Girl Scout Law: be a sister to EVERY Girl Scout. When we do, we can change the world. With Girl Scouts Give, a fundraising campaign and council patch program, your troop will learn about philanthropy, unite with girls across our council, and create good. Most of our 41-county service area is designated as economically distressed. Girl Scouting in these communities is essential to provide a stable outlet for girls to grow, lead, and thrive, regardless of their circumstances or their family's financial situation. In its inaugural year, 75+ troops made a commitment to their Girl Scout sisters. You can help make an even bigger difference by joining them now. To participate or for more information, please visit our [Girl Scouts Give webpage](https://gsnccp.org/GirlScoutsGive) (<https://gsnccp.org/GirlScoutsGive>) or the Patches and Kits page on our website.

## Highest Awards

Each year, the Girl Scout Gold, Silver, and Bronze Awards are earned by Girl Scouts who have planned and executed far-reaching projects in response to pressing community needs. In the process, you will gain skills in leadership, project planning, time management, and budgeting... plus confidence to last a lifetime. Gold, Silver and Bronze Award Girl Scouts are the youth leaders their communities need to create solutions to the new and ever-changing challenges that arise.

### Girl Scout Gold Award

The Girl Scout Gold Award is the highest and most prestigious award that Girl Scout Seniors and Ambassadors can earn. A Girl Scout who earns the Gold Award joins the ranks of generations of young women who have made a difference in their communities both locally and globally. The Girl Scout Gold Award challenges Girl Scouts to develop themselves as leaders, achieve the Girl Scout Leadership Outcomes, and make a mark on their community that creates a lasting impact on the lives of others.

Fulfilling the requirements for the Girl Scout Gold Award starts with the completion of two Girl Scout Senior or Ambassador Journeys, or having earned the Silver Award and completing one Senior or Ambassador Journey. Each Journey completed gives you the skills you need to plan and implement your project.

After you have fulfilled the Journey(s) requirement, you will need to complete the online Gold Award Orientation and attend a Gold Award Workshop—either virtually or in person. 80 hours is the suggested minimum hours to complete the 7 steps to go Gold: identifying an issue, investigating it thoroughly, getting help and building a team, creating a plan, presenting the plan and gathering feedback, taking action, and educating and inspiring others.

We're committed to providing resources to help you achieve success. These include “Your Guide to Going Gold”, the Gold Award Proposal Rubric, Girl Scout Gold Award online orientation, hands-on Gold Award workshops, and virtual office hours—all to help prepare you to create sustainable change.

### Girl Scout Silver Award

Going for the Girl Scout Silver Award gives a Girl Scout Cadette the chance to show that you are a leader who is organized, determined, and dedicated to improving your community. Earning the award puts you among an exceptional group who have used their knowledge and leadership skills to make a difference in the world. The prerequisite to earning the Girl Scout Silver Award is to complete a Girl Scout Cadette Journey. Once you complete your Journey, you can either work in a small group (2-6 girls) or individually to complete a Silver Award Take Action Project. Each Girl Scout, whether working as part of a team or as an individual, should complete a suggested minimum of 50 hours toward the project.

Attending a Silver Award Workshop gives you the knowledge and tools you need to earn your Silver Award. Attendance is not required but is highly recommended.

### Girl Scout Bronze Award

The Girl Scout Bronze Award is the highest honor a Girl Scout Junior can achieve. When you pursue the Bronze Award, you represent what Girl Scouts can achieve in their communities. And, of course, you want to do that in a way that's fun—both for you and for everyone else involved, too! Earning the Girl Scout Bronze Award involves the time to complete a Junior Journey, and then a suggested minimum of 20 hours (per Girl Scout) building your team, exploring your community, choosing your project, planning it, putting your plan in motion and spreading the word about your project. To learn more, complete the online Girl Scout Bronze Award training available on our council web page.

## Girl Scout Gold Award Workshop

**S** Once you've completed the orientation, take a deep dive into the Gold Award process at a Girl Scout Gold Award Workshop. This is the perfect place to really dig into your Gold Award! Each workshop is facilitated **A** by a Gold Award committee member or GS-NCCP staff member and designed to provide a hands-on experience for Girl Scouts who are going Gold. We'll take you through the steps of the Gold Award process utilizing Your Guide to Going Gold and a sample community issue.

We'll work through the sample issue to help you understand what makes a Take Action Project different from community service. We'll pay particular attention to ensuring sustainability, understanding your project's national/global link, and tracking measurability – since all are critically important to your project. Go ahead, bring all your questions!

# Leadership Opportunities

## CIT I

When you are a Girl Scout Senior or Ambassador, you can mentor young Girl Scouts in a camp setting as you build skills toward becoming a camp counselor. To earn this award, you complete a leadership course designed by the council on outdoor experiences and work with younger Girl Scouts over the course of a camp session.

## CIT II

When you are a Girl Scout Ambassador, you can earn this award by working with younger Girl Scouts over the course of at least one camp session while focused on increasing your skills in one specific area—such as riding instruction, lifeguarding, or the arts.

## Volunteer in Training for Teens (VIT)

Girl Scout Seniors and Ambassadors who are interested in taking their leadership skills to the next level can earn the VIT pin. You can complete the training either through a self-led video series or using a facilitator-led training that can be downloaded from our council website. Whether you are in a troop or a Juliette, you can access this training in the way that works best for you and start your leadership training today!

## Page Program

Do you have an interest in government or current state issues? Do you want to learn more about our state's capital city? If so, consider applying to serve in the North Carolina House, Senate, or Governor's Page Program from March 13-16, 2023.

You will join Girl Scouts from all over North Carolina to learn how our state government really works and participate in the legislative process. Girl Scouts selected to work in the Governor's Office have the opportunity to meet the Governor and to tour the Governor's Mansion as well as other local sights. Participants may stay with family or friends, or a host family specially selected by the Page Coordinator's office. Look for more information on the Older Girl Opportunities page of our website starting January 2023.

## Girl Scout Silver Award Workshop

**G** Take a deep dive into the Silver Award process at a Girl Scout Silver Award Workshop. This workshop will take you through each step in the process, including finding a root cause, understanding sustainability, measurability, and global link, and then exploring a sample issue and looking at how to create a Take Action Project. Bring your ideas and questions as there will be plenty of discussion time! Each Girl Scout will receive a copy of a Girl's Guide to the Girl Scout Silver Award. Troop leaders and registered Silver Award volunteers may attend with their girl, but will only receive electronic copies of the materials.

## C Program Aide Core Training

It's time to flex your leadership muscles! Join fellow Girl Scout Cadettes to explore what makes you a unique leader in your everyday life, and learn how to work with Girl Scout Daisies, Brownies, and Juniors. After this workshop you'll be ready to lead younger girls in activities and begin logging hours to earn your Program Aide pin.

Program Aide Training is for Girl Scout Cadettes in sixth, seventh, or eighth grades who have completed the Leadership in Action (LiA) award and are interested in serving as champions for the Girl Scout Leadership Experience.

This training will guide Girl Scouts through activities to understand the three keys of leadership, learn about different leadership personality types, and explore how they can serve as leaders for younger Girl Scouts.

## Program Aide Award

A Program Aide (PA) is any Girl Scout Cadette, Senior or Ambassador who has completed the council's Program Aide Core Training Program and worked with or mentored Girl Scout Daisies, Brownies, or Juniors for at least 20 hours OR at least six activity sessions. Program Aides may assist younger troops, help run many council-sponsored events, and work alongside adults to assist younger Girl Scouts in making the most of the Girl Scout Leadership Experience.

By becoming a Program Aide, Girl Scout Cadettes, Seniors, and Ambassadors develop their leadership skills and have the opportunity to connect with younger Girl Scouts to share their specialized knowledge and make a difference in their lives. Learn more about how to become a Program Aide on our council webpage under Older Girl Opportunities.

Be sure to keep a lookout for the Program Aide icon (PA) throughout this guide. This icon denotes opportunities for Girl Scouts to complete the 20 required hours. To sign up for a PA opportunity visit:

<https://www.cognitofrms.com/GirlScoutsNorthCarolinaCoastalPines/ProgramAideHoursOpportunities>.

Please note you must complete you PA Core training before signing up for PA opportunities.

## Council-Wide Bridging & Celebration

PA

Bridging is a special time when Girl Scouts graduate from one program level to another. Leveling up in Girl Scouts is a big deal. It's a moment to honor all their accomplishments and celebrate the resilient, bold challenge-seekers they've become. It's also an opportunity to look ahead to the next stage in the Girl Scout journey—one filled with new adventures, skills, discoveries, and friends.

All Girl Scouts, troops, and families are invited to join us for activities, games, songs, snacks, and fun as we celebrate our bridging Girl Scouts. Not bridging? No worries, everyone is invited to enjoy the festivities and help us welcome fellow Girl Scouts to their next level.

Special discount for this activity will be offered to Girl Scouts who renew their Girl Scout membership between April 1, 2023 and April 15, 2023. Register for this activity as early as January 9, 2023 and then renew your Girl Scout membership between April 1 - April 15, 2023, and you can attend this activity for FREE! This applies to both renewed girls and renewed adults. After your renewal has been verified, each eligible member will receive a refund in the amount of their event fee. Otherwise, the fees below will apply.

All Girl Scouts will receive an “end of year party” fun patch for attending. Parents/caregivers, please coordinate with your troop leaders to see if they have already purchased bridging-related materials for your Girl Scout. You can also purchase your Girl Scout’s bridging award, bridging kit, and all the next-level Girl Scout swag you love by visiting the retail shops.

# Girl Scout Scholarships

Girl Scouts – North Carolina Coastal Pines is pleased to have the ability, based on donor funding, to award the following annual scholarships to high school students, undergraduates, and adult professionals pursuing further education. Eligible Girl Scout members can apply for the following fantastic scholarships.

- Gladys Marion Scholarship Endowment
- Jane S. Barringer Award
- Misty Crabtree Eastham Scholarship

We encourage our members to explore each scholarship. From studying abroad to educational expenses, these scholarships are aimed at providing exciting opportunities for applicants. Visit the Scholarships page on our website to learn more about these and other scholarship opportunities.

## Gladys Marion Scholarship Endowment

The Gladys Marion Scholarship Endowment was made possible by a lifetime member of Girl Scouts who gave her time and shared her talents to support girls as they developed their leadership skills and prepared to be the next generation of leaders. This scholarship recognizes those who have demonstrated significant leadership as members of Girl Scouts – North Carolina Coastal Pines by earning their Girl Scout Gold Award or equivalent participation in Girl Scout leadership programs. The scholarship is a four-year scholarship and will support the recipient each year over the course of her undergraduate tenure, provided the recipient continues to meet academic requirements.

This scholarship is open to all Girl Scouts. Preference is given to high school seniors primarily residing in Brunswick, New Hanover or Pender County.

## Jane S. Barringer Award

“Mrs. B” was an inspiration to Girl Scouts in our council for over 50 years! As a teen advisor and troop leader, she offered girls different perspectives and opportunities to make a difference. If you are proactive and passionate about making the world a better place, apply for this award designed to further your education or skill development.

This award is open to Gold Award Girl Scouts who are high school seniors or adult professionals pursuing further education or skill development.

## Misty Crabtree Eastham Scholarship

Misty was a Girl Scout who earned her Girl Scout Gold Award in spite of many adversities in her life. Girl Scouts gave her a network of friends to support and guide her through life-changing decisions. One of those decisions took her out of an abusive home life and into foster care with her then Girl Scout leader. Misty overcame adversity and embodied a sense of selflessness, generosity, drive, and determination. She completed an Associate’s degree, a Bachelor’s degree, a certificate program, and had been accepted to a Pharmacy Tech program before she was diagnosed with cancer. She was also an extremely supportive and devoted military spouse for 15 years. Her scholarship recognizes and rewards Girl Scouts with these same qualities. The award from this scholarship is used to help pay for college expenses.

This scholarship is open to Gold Award Girl Scouts who are high school seniors. Preference will be given to girls who have overcome adversity as defined by the applicant.

## GSUSA Gold Award Scholarship

The GSUSA Gold Award Scholarship recognizes the outstanding achievements of and provides financial support to one Gold Award Girl Scout per council. Girl Scouts who have earned their Gold Award between April 1, 2022, and March 31, 2023, are eligible to apply for this scholarship in 2023. Applications are submitted through GoGold in the spring of 2023.

# Life Skills

The benefits of the Girl Scout Leadership Experience aren't just temporary... they last for life! Our goal is to build strong and confident Girl Scouts who will become successful and happy people, and this all starts with our life skills programs. These programs teach important lessons outside the classroom— whether it's learning to stay healthy, tackling car care and maintenance, or the importance of becoming civically engaged. Our life skills events are an awesome way for Girl Scouts to safely and effectively learn to take care of themselves and change the world while having tons of fun!

## Safe at Home by Safe Sitter

In this fun and interactive Safe at Home class, Girl Scout Juniors will develop the skills needed to prepare them to be safe when they are home alone. Girl Scouts will learn how to identify hazards in their homes and ways to eliminate or minimize them, as well as how to keep their homes and family safe and secure.

## Phenomenal U!

Phenomenal U is a new annual event organized by Girl Scouts - North Carolina Coastal Pines BIPOC (Black, Indigenous, and People of Color) Employee Resource Group that will aid in the holistic development of teenage girls. At Phenomenal U, girls will engage in hands-on workshops focused on financial literacy, emotional health and wellness, physical health, and post-secondary education advice and assistance.

Phenomenal U will be hosted at a local college so that girls can get a first-hand experience of campus life and the school's offerings. While our event is open to all girls, we hope to provide workshops tailored to teenagers of color and girls from under-resourced areas. These workshops will be taught by facilitators with diverse backgrounds to increase awareness of representation.

## Summer Camp

Summer camp is an honored Girl Scout tradition that creates cherished memories as Girl Scouts grow older. We are proud to keep this tradition alive at three of our properties: Camp Graham, Camp Hardee, and Camp Mary Atkinson. Campers have the opportunity to try exciting new activities, be in a community with nature and other Girl Scouts, make new friends, and grow in ways they never imagined. The summer of 2023 is on the horizon, and adventure awaits!

## D Camp Open House PA

**B** Want to tour the camp and learn more about our awesome offerings before the summer? Bring the family and a picnic lunch to see the cabins, waterfront, archery, dining hall, pool, and more! ## D Terrific Trees PA

B Spend the afternoon at Camp Mu-Sha-Ni learning about the unique longleaf pine ecosystem, investigate ways to improve our world, and plant a tree as part of the Girl Scout Tree Promise.

J  
C Participants will rotate through several activity stations. These activity stations are provided in partnership with experts in the field and may include:

- S  
A
- Delve into the longleaf pine ecosystem. Can you believe that the longleaf pine is dependent on fire to thrive? It's this relationship with fire, along with the many plants and animals that make this iconic tree their home across the southeast, that make the longleaf pine ecosystem one of the most diverse in North America.
  - Learn more about and (potentially) witness a prescribed fire. Prescribed fires are used to promote wildlife habitat and decrease the risk of catastrophic wildfires.
  - Informal Q&A with experts in tree-related careers. That's right, think arborist, tree farmer, environmental advocate, park planner, and more! If you are passionate about trees or the outdoors, come learn more about the careers that are waiting for you.
  - Plant a longleaf pine tree. Planting trees is one of the best ways we can improve the environment. With every tree planted, our communities can better conserve water, reduce air pollution, create jobs, improve wildlife habitats, and contribute to climate change solutions.
  - Visit our hands-on station for creative learning. You bet, there will be crafts!

Troops must be accompanied by a First Aid/CPR-certified adult. Individually registered Girl Scouts must be accompanied by a registered adult.

**Fees:** GS-NCCP Members: \$10 per Girl Scout / \$0 per adult  
Individual/Troop

**Where:** Camp Mu-Sha-Ni, Richmond County

# STEM

Creative problem-solving skills, better grades, and a possible future STEM (Science, Technology, Engineering and Math) career? Yes, please! Our STEM programs challenge Girl Scouts to be innovators and explore the world of STEM in new and exciting ways. STEM fields need more females taking the lead, and our programs can help them get there. Girl Scouts are unstoppable in tackling real-world problems to make a lasting change. We provide opportunities to engage in the scientific method, try hands-on activities, and to make mistakes and try again— a process through which they will develop the confidence they need to truly make a difference in STEM.

## MarineQuest

Come explore the marine life of the Cape Fear area with UNCW's MarineQuest team while earning the requirements for your Eco badges.

In this interactive workshop, girls will become field agents exploring the salt marshes, coastal forest, and intertidal rocky outcrops of coastal Wilmington. Girls will engage in hands-on lab experiments at UNC Wilmington's Center for Marine Science and learn about leave no trace principles through fun, age-level activities. Please note when working in the lab it is girls only. Adults must make alternate plans during the morning lab session. Girl Scouts will complete requirements for Eco Friend, Eco Camper, Eco Trekker, and Eco Explorer badges based on age level.

**Fees:** GS-NCCP Members: \$35 per Girl Scout / \$0 per adult  
Individual/Troop

**Where:** UNCW Center for Marine Science, New Hanover County

## D Spooktacular Engineers PA

**B** We've got a challenging day of spooky engineering activities planned for Girl Scouts of all levels. It's all hands on deck for the first challenge, which requires you to save our wiggly friend, Sam, from treacherous, dark, critter-filled seas. Next up you're going to make eyeballs bounce before taking a snack break. Then **J** it's time to turn up the fright factor! Girl Scout Daisies and Brownies will craft a catapult and send spiders sky bound. Girl Scout Juniors devise a creepy crawling spider robot. Girl Scout Cadettes – Ambassadors **C** become mad scientists with their zombie hand creations. **S**

**A** Girl Scouts will be split into age-level groups to complete activities. Each participating Girl Scout will receive a fun patch. Registered adults are asked to remain on site and will be recruited to lend a hand with the activities (don't worry, it will be fun!). Everyone will enjoy a snack, bring your water bottle.

**Fees:** GS-NCCP Members: \$6 per Girl Scout / \$0 per adult  
Individual/Troop

**Where:** Craven Community College - Havelock Campus, Craven County  
Zip Code: 28532

**When:** October 29, 2022

**Registration:** August 1, 2022 - October 18, 2022

## D Shackleford Banks Adventure

**B** The Eastern End of Shackleford Banks is a special place. Steeped in history, rich in marine life, and remarkable in its beauty, this is one of the most unique locations on the grand coast of North Carolina. **J** This end of the Shackleford Banks is bordered by hundreds of acres of salt marsh teeming with life. **C** Activities include netting marine life in the salt marsh, crabbing, and beach explorations. While this event is suitable for all grades, please note that it will take about 3 hours. The event is currently scheduled to **S** kickoff at 11AM, but is tide dependent. Registrants will receive a more precise time about 3 weeks out from the event. During registration you will be asked to select between Ferry A or Ferry B. If you are registering **A** with a group and want to ride together, be sure to choose the SAME ferry.

**Fees:** GS-NCCP Members: \$40 per Girl Scout / \$40 per adult  
Individual/Troop

**Where:** Harkers Island Ferry Gateway, Carteret County  
Zip Code: 28531

**Registration:** August 1, 2022 - September 13, 2022

---

**When:** April 22, 2023  
11:00 AM - 2:35 PM

**Registration:** January 9, 2023 - April 11, 2023

## D Numbers, Nature, & Art

**B** Join us at Kid Create Studio as we search for shapes in nature, find and make patterns, and create art inspired by nature. We will also create a beautiful sculpture of a rosebud while learning about how numbers influence how many petals a rose has.

**J**

This event meets the full requirements for Math in Nature badges. Daisies will identify shapes and patterns in natural objects, like rainbows, flowers, and leaves. Brownies will track natural objects, graph natural objects, make a spiderweb with symmetry, explore tessellations and collect data about birds. Finally, Juniors will identify symmetry in nature, explore bilateral symmetry in nature, create nature-inspired art with circular symmetry and find fractals in nature, and search for the Fibonacci sequence. A sibling discount of 20% is automatically applied at checkout. All cancellations will result in a studio credit.

**Fees:** GS-NCCP Members: \$15 per Girl Scout / \$0 per adult  
Individual/Troop

**Where:** Kid Create Studio, Cumberland County  
Zip Code: 28314

**When:** November 5, 2022  
10:00 AM - 11:30 AM

**Registration:** August 1, 2022 - October 25, 2022

**C** Join us for TechnoQuest 2022 at NC State’s Centennial Campus for a brand-new series of workshops exploring STEM topics. You’ll dive into hands-on learning in space science, engineering, coding, food science, robotics, and more! During registration, you will choose 3 workshop topics to participate in throughout the day. In October, you will receive additional information about the session content and facilitator for each workshop.

**S** Plus, the event kicks off with an opportunity for Girl Scout Juniors to collaborate in teams with incredible women in STEM for some seriously silly “minute to win it” challenges. Cadettes take part in a speed mentoring session, while Seniors and Ambassadors grow their network in an informal panel discussion with STEM professionals and university students. And that’s just the beginning of the day! After that, you may wear your aerospace engineer hat as you construct a rocket. Or perhaps you’re wearing your environmental scientist hat and tackling activities in alternative energy solutions. Whatever your workshop preference, you’re sure to have fun!

**A** In addition to gaining some cool knowledge and making some sweet connections, all Girl Scouts will receive a t-shirt, swag, lunch, and a custom TechnoQuest patch for participating in the event.

Please note, that there are several options for adults remaining on site. Adults should register to remain onsite via the “TechnoQuest – Adult Participation Options” activity listing. During registration, you can select to complete the First Aid & CPR training (requires completion of an online module prior to the event), participate in the Adult Workshop Track, or simply enjoy the beautiful campus and then enjoy a catered lunch with your Girl Scouts. Additionally, adults can volunteer to assist a workshop facilitator (lunch and thank you gift provided!). See the “TechnoQuest – Adult Participation Options” listing for more details.

Sponsored by Duke Energy Foundation

## TechnoQuest - Adult Participation Options

While your Girl Scouts are participating in their workshops, join us for a selection of adult programming to help you feel more comfortable with STEM Facilitation, outdoor leadership, highest awards, and more. Decide between a Workshop Track, or an Adult & Child First Aid/CPR/AED Certification and Workshop Track. Lunch is included with registration. During registration, you will choose your Workshop Track for the day.

The blended First Aid/CPR/AED course combines online work and instructor-led practice and skill testing. Participants must be able to complete online course work prior to training (approximately 2.5 hours in length) and be able to print or email proof of completion to the instructor. Proof of course work can also be shown to the instructor using your cellphone. A link to the online training will be immediately available in the Additional Documentation on the event on the My Events page in your My GS account.

## **B** Turtle Trek

**J** Come learn all about Piedmont Wildlife Center and the research that we do with box turtles! During your Turtle Trek, you'll get the chance to learn about radio telemetry, mark and recapture method, and data collection. You'll get the chance to try your hand at trying to find a box turtle in the woods by only using a radio signal! At the end of your turtle trek, meet one of our resident box turtles up close.

**C** Patches will be available for purchase for \$2/patch during registration. This is an outdoor, off-trail walking adventure, so please come prepared for the weather and to trek through the woods. Potential hazards we may encounter could include ticks, poison ivy, barbed wire, venomous snakes, spiders, and insects. Insect repellent and sunscreen are highly recommended. Please wear closed-toed shoes and bring a water bottle. Each family must sign our COVID waiver in order to participate in our in-person programming. Each time slot is limited to 10 Girl Scouts and 2 adult chaperones. Additional chaperones may attend but will need to remain at the outdoor amphitheater or on a self-guided tour of the raptor enclosures during the Turtle Trek. Cancellation fee: full refund minus a 5% administration fee, if the Piedmont Wildlife Center is able to fill the spot from the waitlist. If the spot is unable to be filled, no refund.

In the event of inclement weather, an alternate date or refund minus 5% to each registrant.

# More Activities for Girl Scouts

## Community Service Girl Scouts for the Cure

In October, we celebrate Girl Scout founder Juliette Gordon Low's birthday and life while recognizing the importance of Breast Cancer Awareness Month. Many areas will be hosting their own unique Girl Scouts for the Cure event that will guide girls in earning the Think Pink! patch as they learn about the importance of healthy living through interactive games and activities, complete with a service project. The age-appropriate activities around breast health and awareness are presented in a way that gives girls the tools to feel empowered about taking care of their body while having fun.

To download the Girl Scouts for the Cure event module, visit [www.nccoastalpines.org](http://www.nccoastalpines.org) > Volunteers > Service Unit Teams > Service Unit Teams Roles and Resources > Area Event Director > Event Director Modules > Girl Scouts for a Cure. For more information about these events and where they will be offered, reach out to the Program Team at [programteam@nccoastalpines.org](mailto:programteam@nccoastalpines.org).

## National Service Project Girl Scout Tree Promise

In partnership with the Elliott Wildlife Values Project, American Forests, and Johnson & Johnson Foundation, Girl Scouts are launching a bold tree planting and conservation initiative. Girl Scouts across the country are setting out to plant five million trees by 2026, and to protect and honor new and existing trees. Not only is this great for wildlife, it will also help ease the effects of climate change. Join in on our newest national service project by planting a tree and making an impact in your local community.

Planting trees is a great way to become a steward of the environment. Trees provide places for animals and birds to live, reduce pollutants, filter water, and combat climate change. Plus—you and your troop can be a part of the Girl Scout Tree Promise, an initiative to plant five million trees in five years.

Girl Scouts can make an enormous global impact by participating in this environmental and conservation initiative. Once you've participated, purchase the Tree Promise patch (new each year) by contacting the retail shops. For more information visit: [www.girlscouts.org/en/activity-zone/national-service-projects.html](http://www.girlscouts.org/en/activity-zone/national-service-projects.html)

## Community Partners

We have teamed up with businesses and organizations across our footprint to bring girls and volunteers exciting new program opportunities for badges, Journeys, fun patches, community service projects, outings, and great discounts! Throughout this guide, you're invited to join our community partners; just look for the community partner icon. You are also invited to check out our Community Partner webpage for a complete list of partners. This page is updated as safe events are added.

## Council Patch Program

We know you love earning badges and Journey awards for the front of your uniform, but don't forget to show the back of your uniform some love by earning our GS-NCCP patches. A majority of our council patch programs offer girls opportunities which are unique to our council footprint or programming or celebrate a historical milestone. Visit the council website for patch requirements, order form, and evaluation. See below for the wide variety of topics girls can explore.

## Religious Recognitions

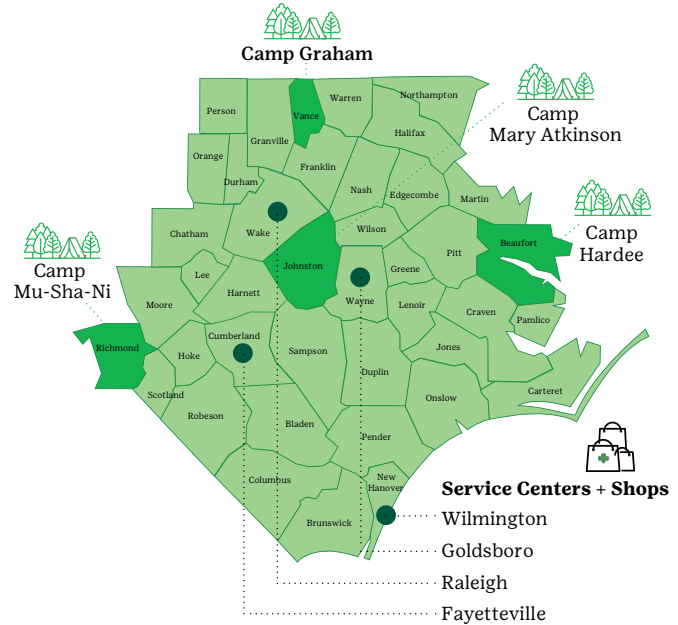

Learn how the religious recognitions in Girl Scouting give girls the opportunity to grow stronger in their faith. Visit our website or gsLearn to complete our online webinar training which provides you with the resources you need to connect Girl Scouts with the faith-based awards. This webinar covers contact information, requirements, uniform placement, and more! During the webinar you'll also learn about the My Promise, My Faith pin, which invites girls in grades K-12 to experience a faith journey through exploration of the Girl Scout Law and teachings from their own personal faith. Girls can earn this national pin each year.

## Girl Scouts Go Mobile!

Our **Mobile Program** is available for troop requests. Programming is provided in Financial Literacy, Healthy Living, Leadership, Outdoor Education, and STEM for all grade levels! New this year-request our mobile program to begin your Becoming Me series. For more information about programs and scheduling, please complete a Mobile Program Interest Form. Visit the Forms page on our website at [nccoastalpines.org/en/our-council/forms-and-documents-.html](http://nccoastalpines.org/en/our-council/forms-and-documents-.html) and explore our Mobile Program webpage. We are grateful to our partners, Truist, WakeMed, and PNC Foundation, for their support of the Girl Scouts – North Carolina Coastal Pines Mobile Program.

The **Girl Scout Mobile Retail Shop** can be requested to set up a pop-up shop with great merchandise assortment for sale at your large service unit or troop events. Please complete a Mobile Retail Shop interest form to request the retail van by visiting the Forms page on our website at [nccoastalpines.org/en/our-council/forms-and-documents-.html](http://nccoastalpines.org/en/our-council/forms-and-documents-.html)

## Building Beyond Today

Back by popular demand, another year of activities that help create a community for all Girl Scouts to thrive! This year we're focusing on you. That's right, it's time to shine a light on the amazing Girl Scout you are and your efforts to create a community for all Girl Scouts to thrive. Read on to see how you can complete each of the patches.

### Building Beyond Today

Raise your hand to help enact change with Girl Scouts-North Carolina Coastal Pines' advocacy patch. If you support creating a community where all Girl Scouts can thrive, purchase and proudly wear this patch. It's that simple! So, show everyone you're an advocate for change.

### Beyond Today. Diversity/Equity/Inclusion

When Girl Scouts have earned this council patch program, they'll have developed an appreciation of the uniqueness and commonalities of themselves and others, and the rich diversity of various cultures in their community and in the world. They will also deepen their understanding and respect for people who may be different from them and learn how to better relate to others.

### Beyond Today. Thrive Talk Series

Join fellow Girl Scouts for a virtual discussion around "thriving communities". Learn more about what you can do locally to create change and how these Girl Scouts have enacted change in their communities. This experience is perfect for Girl Scouts interested in tackling the Bronze, Silver or Gold Award or who want to simply make a difference. Register via Activities, patch included.

### Beyond Today. Thrive Challenge

The Thrive Challenge offers Girl Scouts an opportunity to learn about different people, cultures, customs, and more. Girl Scouts can complete the challenge on their own (supported by their family) or troops can participate together. Simply take on at least two challenge ideas per letter (T.H.R.I.V.E.) to complete the Thrive Challenge. Visit the Patches & Kits webpage for the activities.

### Beyond Today. Thrive Book Series

Download the Thrive Book Series suggested reading list. This reading list is aimed at helping Girl Scouts broaden their view of the world. Discussion questions for the books will help readers reflect on what they've read. Activities to help readers creatively capture the book are included. Read at least one book to complete the patch.

### Beyond Today. How Do You Thrive?

You are unique, there's simply no one who is just like you! We're excited to hear what makes you, well, YOU! To complete this patch, you're tasked with meeting someone new, sharing what makes you unique, and learning about the other person's uniqueness. Once you tackled this task, complete a short online survey between October 1, 2022 and April 1, 2023 to share what you learned and how it made you feel. Submissions, with your permission, may be shared via social media.

### Beyond Today. Thrive Art Show

The 2023 Thrive Art Show is a juried art contest with the theme, Self-Portrait. This year's Thrive Art Show is a way for Girl Scouts to self-reflect and answer the question "Who Am I?" in a creative art expression. All types of visual arts will be considered, including but not limited to Painting, Mixed Media, Photography, Sculpture, or Creative Writing. All submissions must be made between January 9, 2023- March 31, 2023 (midnight) and the show will be available online for public viewing starting May 1, 2023. Awards will be given to the top artist in each age group as well as a special People's Choice award that will be voted by the public. Registration fee of \$3.00 includes a certificate of recognition and the Thrive Art Show patch. Register via Activities in January.

Additional information about the Building Beyond Today patches can be found by visiting [nccoastalpines.org](http://nccoastalpines.org) > About > Girl Scouts and Diversity, Equity and Inclusion. For all your Building Beyond Today patch needs, contact the retail shop to purchase or email [shop@nccoastalpines.org](mailto:shop@nccoastalpines.org). In some cases, the patch is included as part of the activity registration.

## Girl Scout Center and Shops

Raleigh Lounge Area aka Daisy's Den

If you have not visited your local Girl Scout Center or Retail Shop in a while, you might have missed some exciting changes. The Retail Shop at the Girl Scout Center in Raleigh has expanded to hold an even larger inventory of your favorite Girl Scout swag and official merchandise including newly released badge booklets, handbooks, and uniform components. Other improvements to the facility include the creation of a lounge area that is perfect for troop meetings. We encourage you to consider reserving a room for the day or a few hours. Bring your sleeping bag because troops can reserve the Raleigh “Troop Room” for an overnight adventure!

## Goldsboro Girl Scout Center and Shop

Jetting around Wayne County? Cruise into the Girl Scout Center in Goldsboro where the Retail Shop has expanded, kitchen facility updated, and several program rooms have been refreshed. There is a laboratory themed room perfect for tackling STEM related badge activities, and a space themed room for launching into the Space Science badges. Troops can also reserve the Goldsboro troop room for an overnighter!

### Rad Robotics Night

Third Tuesday, September, 2022 through June 2023, 5PM to 7PM  
Goldsboro, Fayetteville, Raleigh, and Wilmington Girl Scout Centers

Girl Scout Daisy and Brownie troops are invited to visit their local facility and use the Robotics Kits onsite. The Daisy and Brownie Robotics Kits will be available for self-guide exploration during this time (troops will facilitate their own activities). Kits includes a troop leader manual and activity steps to assist Girl Scouts in earning their age-level Robotics badge (purchase separately). Participating Girl Scouts will receive a robotics fun patch. Troop co-leaders (up to two co-leaders) will receive a fun gift for leading the Girl Scouts through the activities. After your registration is confirmed, a digital copy of the robotics manual will be shared with the co-leader to prepare for this fun troop outing. Maximum of 25 Girl Scouts can register; you must register to participate via Activities. There is a fee of \$2 per Girl Scout that includes a fun patch and troop leader goodie. Guest Wi-Fi Internet is available for member use.

*Goldsboro Laboratory & Space Rooms*

Cupcake wars, anyone? Does your troop want to grow their cooking skills? Plan an outing to utilize the newly updated kitchen at the Girl Scout Center in Goldsboro furnished with utensils and a double oven to whip up some fun with your troop between September 1st and January 1st and receive a free troop leader gift (maximum of two per troop). Contact the Help Desk at 1.800.284.4475 or [helpdesk@nccoastalpin.es.org](mailto:helpdesk@nccoastalpin.es.org) to make a reservation.

## Resources

Girl Scouts – North Carolina Coastal Pines has some pretty cool resources available to support our Girl Scout troop leaders and families as they engage in the Girl Scout Leadership Experience. Looking for resources for your next meeting, event, training, or day camp? We've got you covered! Resource kits can be reserved from our four Girl Scout Center and Shop locations and picked up from the retail shop you indicated during your reservation. Some kits require a reservation fee. During your reservation, you will select the location and pick up day. Reservations must be picked up during operating hours. Reserve your kit today at [nccoastalpines.org](https://nccoastalpines.org) on our Patches and Kits page. Below is a list of our available resource kits.

### Bridge

Bridging is a beloved Girl Scout tradition that honors girls' achievements throughout the year and celebrates their "crossing the bridge" to the next Girl Scout level. You can reserve a bridge for your next Bridging or Fly-Up Ceremony.

### Cookie Costume

Dress up your next cookie rally, booth, or event by posing as a beloved Girl Scout cookie.

### Robotics Kit

The Robotics Kit enhances activities by giving girls hands-on experience programming a robot. The kit includes a manual with resources, activities, and discussion questions for each badge that will help girls understand robotics and get the most out of their time with the robot. The Daisy Robotics Kit includes the Colby the Code and Go Mouse. The Brownie Robotics Kit includes Botley the Coding Robot.

### Program Aide Core Training Toolkit

To better support co-leaders and volunteers planning to deliver Program Aide (PA) Core training, the program team has created and made available Program Aide Core Training Toolkits. PA Core Training Toolkits contain all but a few of the items facilitators need for the training and eliminate the need for you to make copies and gather supplies.

### Flags

Reserve the flag kit for your next ceremony or special event. Each kit contains the Girl Scout, USA, and North Carolina state flags and sashes. The sash sets are used when girls are not in uniform to give a "uniform" appearance.

### Jump Start Journey Kits

Jump Start Journey kits are a great way to jump into Journeys! Each box contains activities, directions, and supplies that help Girl Scouts work towards the first award of a Girl Scout Journey. Supplies included at no charge. Purchase the Journey Award separately.

- 5 Flowers, 4 Stories, 3 Cheers for Animals for Girl Scout Daisies
- Between Earth and Sky for Girl Scout Daisies
- Brownie Quest for Girl Scout Brownies
- Wonders of Water for Girl Scout Brownies
- Agent of Change for Girl Scout Juniors
- Get Moving for Girl Scout Juniors

## Making the Leap! Bridging from Juniors to Cadettes

As Girl Scouts move into middle school, our program grows with them, with progression in travel, camp, leadership skills, and more! New and experienced Cadette troop leaders will discuss how the changes, challenges, and exciting opportunities of working with Girl Scout Cadettes – teaching them to use their voices as they take a greater lead in planning, how to be flexible and accommodate their needs – all support their engagement with Girl Scouts and your success as a leader when there are so many other things competing for their time.

We'll also cover the basics of the different leadership awards available to Girl Scout Cadettes: the Torch Award, Service Bars, Leadership in Action, Program Aide, and the Girl Scout Silver Award – how girls can earn them, who mentors the girls and approves the awards, and where to find more information.

There will be time to share ideas and ask all your questions!

## For Troop Leaders

### **Think Like a Citizen Scientist Journey, Digital Troop Leader Resource**

Are you looking to accomplish a multi-level Girl Scout STEM Journey with your Daisy, Brownie, and/or Junior troop, but are slightly intimidated to tackle planning or overwhelmed by the content? Let us take the guesswork out of it! Lead your Girl Scouts through the Think Like a Citizen Scientist Journey using Google Classroom. Broken down meeting-by-meeting, we created this tool to make facilitation easy and fun! Bring out the citizen scientists in your Girl Scouts using our online resources today. Online material, tips and tools and as needed support are supplied. Awards must be purchased separately from the council shop. Sponsored by Duke Energy Foundation. For access to troop leader resources, visit the Girl Scouting at Home page on our website.

### **Girl Scout Cadette Coding for Good Badge, Digital Troop Leader Resource**

Do you have Girl Scout Cadettes interested in computer coding, but you aren't sure where to start? Using our Cadette Coding for Good Badge Resource, you will gain access to Google Classroom lesson plans that make it easy! With no previous coding experience, you can lead your Girl Scout troop through a series of fun activities that will leave them wanting to learn more. This resource will walk you through the completion of the first badge in the series: Coding Basics. Online material, tips and tools and as needed support are supplied. Awards must be purchased separately from the council shop.

### **Girl Scout Senior GIRLtopia Journey, Digital Troop Leader Resource**

Are you a troop leader or caregiver seeking to lead your girl(s) through the GIRLtopia Journey via an online platform? Completing two Senior or Ambassador Journeys OR earning the Girl Scout Silver Award and completing one Girl Scout Senior or Ambassador Journey is a requirement to pursuing the Girl Scout Gold Award. You can lead your girl(s) through the GIRLtopia Journey via Google Classrooms where we have all the information and tools ready to go! GIRLtopia is a girl's invitation to envision a perfect world-utopia for girls. Only online material, tips and tools, and as needed support are supplied; awards are not included but can be purchased from a council shop.

### **Girl Scout Cadette MEdia Journey, Digital Troop Leader Resource**

Are you a troop leader or parent seeking to lead your girl(s) through the MEdia Journey via an online platform? Completing one Cadette Journey is a requirement to pursuing the Girl Scout Silver Award. You can lead your girl(s) through the MEdia Journey via Google Classrooms where we have all the information and tools ready to go! In the MEdia Journey, you will lead girls through an exploration of media and will help reshape negative messages into more positive ones, while planning a Take Action Project. Only online material, tips and tools, and as needed support are supplied; awards are not included but can be purchased from a council shop.

### **Girl Scout Daisy Shapes in Nature, Digital Troop Leader Resources**

Nature is full of beautiful things! Using Google Classroom, easily lead your Girl Scout Daisy troop on a step-by-step discovery of the world around them! This resource will walk you through the completion of the first badge in the series: Shapes in Nature. Online material, tips and tools and as needed support are supplied. Awards must be purchased separately from the council shop. For access to troop leader resources visit the Girl Scouting at Home page on our website.

## We've Bridged, Now What?

"We've bridged, now what?" is a resource designed to help troop leaders wrap up their current year and make preparation for supporting girls through their next Girl Scout adventure. This guide includes information on bridging, new badges, planning your troop year and more! Email [programteam@nccoastalpines.org](mailto:programteam@nccoastalpines.org) and we'll send you a link to complete to receive your free digital download.

## Highest Award Adult Chat

This is an opportunity for troop leaders and registered highest award volunteers to learn about Girl Scouts' Highest Awards, what's new for this troop year, and how they can assist Girl Scouts as they pursue their Bronze, Silver, or Gold Award.

Learn all about Girl Scouts' Highest Award and your role in guiding your Girl Scouts through the process. We'll go over the elements of a Take Action Project and how each level should incorporate them into their project. And there will be plenty of time for questions!
