Hello from the CEO!

For 110 years, Girl Scouts have found a way to dream big and do good. From reaching the outer limits of space to stocking their local food pantry, there is no challenge too big or need too small for a Girl Scout to tackle. Since day one, girls have found a way to create a better future for themselves, their communities, and the world.

It's this extraordinary legacy that keeps Girl Scouts going, year after year, challenge after challenge. When times get tough, girls can look back at the millions (yes, millions!) of Girl Scouts who have come before them and feel confident that they, too, can overcome whatever's in their path. At Girl Scouts of Southern Appalachians, we are looking forward to many more years of troop meetings, cookie sales, field trips, science experiments, camping adventures, sing-alongs, earning badges, and making a difference in communities.

Inside this Go Guide, you'll find events that are rich with experiences your girl can do with her troop or on her own with girls from sister troops. These activities cover the full spectrum of the Girl Scouts' Four Pillars: STEM (Science, Technology, Engineering, Math), Outdoors, Life Skills, and Entrepreneurship. So whether your girl loves camping, computers, taking charge, learning about everything from animals to history, or just making new memories and new friends, she'll find something to do! We hope you and the Girl Scouts in your life will take advantage of and enjoy all that we have to offer!

Yours in Girl Scouting,

Lynne Lawson Fugate
Chief Executive Officer
Girl Scouts of Southern Appalachians

What Do Girl Scouts Do?

Anything they set their minds to. She's doing more than navigating a rocky trail; she's learning to problem solve and take a closer look at the world around her. She's not just selling a box of Thin Mints; she's gaining the confidence to pitch the first investor in her small business. And the giggles she shares with her fellow troop members? She's building a support squad that will boost her mood and have her soaring above peer pressure or tough times in school. Everything Girl Scouts do builds their curiosity, kindness, and can-do spirit. And as they earn badges, help their communities, and deepen their friendships, they'll also have a blast along the way. It's what Girl Scouting is all about.

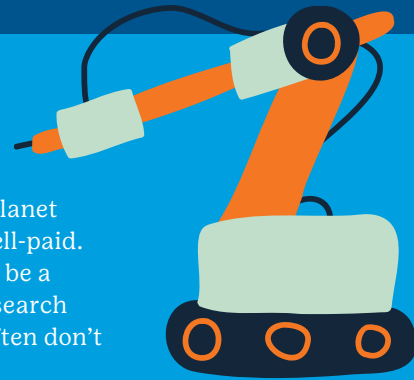

What Makes a Girl Scout Stand Out?

THE FOUR PILLARS OF GIRL SCOUTING

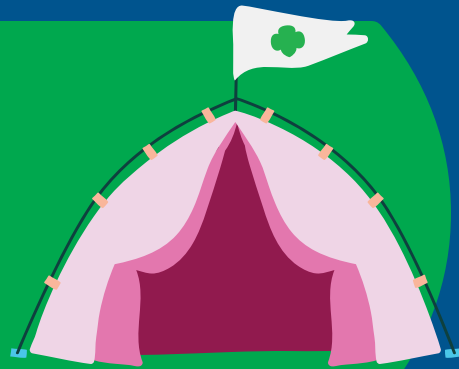

STEM

Imagine her taking on some of the biggest challenges and problems our planet faces—and helping solve them. Or having a career that's engaging and well-paid. Imagine her teaming up with others to invent the future. That future can be a reality, thanks to science, technology, engineering, and math (STEM). Research shows that girls are keenly interested in STEM and excel at it. Yet, girls often don't pursue STEM—but we can change that through Girl Scouts!

OUTDOORS

From the backyard to the backcountry, Girl Scouts has a long and storied history of getting every girl outdoors. In fact, many Girl Scouts tell us camping trips are one of the best things about their Girl Scout experience. It's true: when girls spend quality time outdoors and increase their exposure to nature, they thrive physically, emotionally, and intellectually. Connecting with the great outdoors in a girl-led setting is a big benefit of belonging to Girl Scouts.

LIFE SKILLS

Girl Scout badges form the foundation of activities that help girls grow as Girl Scouts. Whether it's by exercising and staying healthy, developing strong relationships with family and peers, advocating on behalf of others, protecting our environment, or exploring careers that can truly change the world for the better, girls gain the life skills and the inspiration to accept challenges, overcome obstacles, and take the lead.

ENTREPRENEURSHIP

Through Girl Scouts, girls learn to think like entrepreneurs as they participate in activities, such as the Fall Product and Girl Scout Cookie Programs, that spark curiosity, confidence, and innovation. While entrepreneurship may not be right for every girl, every girl will benefit—and maybe even discover a future career path. By providing a foundation to learn important business skills, Girl Scouts is the perfect place to support young girls in exploring entrepreneurship.

Volunteering

Just like the Girl Scouts they guide, volunteers lead with their hearts and bring a playful sense of curiosity to everything they do. Whatever their unique skills or interests, volunteers help Girl Scouts unlock their limitless potential and make a lasting difference in the world. See for yourself how empowering it is to be a role model. Look for Girl Scout volunteer opportunities near you—whether you're looking for short-term opportunities or to start a troop of your own, connect with your local Girl Scout council and start making an impact.

BECOME A VOLUNTEER

Product Programs

Girl Scout Product Programs prepare girls with the business smarts they need to take on the world.

Girl Scouts are powered by cookies!

Examples of what a girl can purchase with her product earnings:

ITEM	QUANTITY (PER GIRL)
1 year of Girl Scout membership	21 Fall Product items OR 26 boxes of cookies
Girl Scout uniform*	64 Fall Product items OR 116 boxes of cookies
Troop camping weekend**	30 Fall Product items OR 55 boxes of cookies

*Estimated for highest priced uniform options, including a vest, official apparel shirt and skirt, and insignia. Fewer items/boxes may be needed.

**Estimated per girl for a group of ten to stay in Deer Point at Camp Tanasi for two nights, including food. Fewer items/boxes may be needed.

Did you know the Girl Scout Cookie Program is the largest girl-led entrepreneurial program in the world? It's true—and it's pretty amazing!

When you buy delicious Girl Scout Cookies or one of our fabulous Fall Products, you're helping girls fund life-changing programs and experiences for themselves and their troops all year long. These experiences broaden their worlds, teach them essential skills, and launch them into a lifetime of success—whatever that means to each girl.

And guess what? Proceeds stay local! That means you're not only supporting girls' success but also the success of your community, all while helping build the next generation of female entrepreneurs. Girl Scout Product Programs, much like her overall Girl Scout experience, give her the tools she needs to help others and keep her community at the center of everything she does. No cookie money goes to any other causes. It all stays with Girl Scouts.

Like the Girl Scout Cookie Program, our Fall Product Program is instrumental in helping girls develop the five key skills of goal-setting, decision-making, money management, people skills, and business ethics. It is a way for many girls to participate in online and in-person sales and gives troops a chance to earn start-up funds for exciting opportunities.

First Aid/CPR/AED

This is a blended-learning training with a pre-class online component which participants are required to complete prior to attending. Registration is required and participants who successfully complete the class will receive a two-year certification through the American Red Cross. At least one adult from every troop is required to have this training. Cadette, Senior, and Ambassador girls are welcome to register as part of earning their First Aid badge. Registration closes two weeks prior to training date to allow you time to complete the online components.

Cost per adult: \$30 • Cost per girl: \$30
Classes will be held at your local Leadership Center.

Our Camps

Camping is a great way to build new skills, make new friends, and develop a deep appreciation for nature. From early April until late November, all three of our camps are available for weekend outdoor adventures. Troop volunteers can check what weekends are available by calling 800.474.1912.

Camp Wildwood

1100 Woodland Ave.
Johnson City, TN 37601

Camp Wildwood is located on 12 acres of woodlands just a step away from our Girl Scout Leadership Center of Appalachian Highlands. Wildwood features platform cabins for seasonal camping and the Historic Darlin Jones Cabin which can be used for meal prep. Staffed programming is available at the archery range. This is a great basecamp for excursions in the Tri-Cities region.

Camp Tanasi

123 Dark Hollow Rd. N
Andersonville, TN 37705

Camp Tanasi is located on Norris Lake with 461 acres of wooded property, cabins, and tents. Camp Tanasi is home to our popular summer camp programs. It also serves as an outdoor classroom for graduate students at the University of Tennessee and wildlife/forestry organizations across the state and nation.

Camp Adahi

125 Camp Adahi Rd.
Menlo, GA 30731

Camp Adahi is located on 800 acres atop Lookout Mountain, featuring nine miles of hiking trails, open fields, cabins, and tents. Shelter Rock, a natural amphitheater, has been a popular place for girls since the camp was built.

SUMMER RESIDENT CAMP

While girls are partaking in our Summer Camp Programs at Camp Tanasi, our goal is to help them build courage, confidence, and character while learning skills they can use throughout their lives. We offer programming that is tailored to various grade levels, ages, and interests, starting with first graders all the way through twelfth graders.

GUESS WHAT?

The price of camp is all inclusive! We provide all meals, overnight accommodations, program supplies, specialized equipment, staff and their certifications, and a unique camp t-shirt.

35th Annual Hiwassee River Raft Race

Cadettes and up are invited to compete in the 35th annual Hiwassee River Raft Race—the longest running Girl Scout event in our council! Participants build river-worthy rafts and compete against other teams on a two-hour float; four awards are given each year. Adults are welcome to register and build their own rafts, too.

Raft Race Training

Training is required for first-time participants.
