

GSCSA Gold Award Scholarship Application 2023

Scholarships are available for graduating Girl Scout Ambassadors through the Girl Scout Council of the Southern Appalachians. A completed application qualifies the applicant for consideration. Candidates will not be awarded multiple scholarships.

To qualify for a scholarship, applicants must:

- Be a Gold Award recipient (meeting the council deadline of February 1, 2023 or before) AND
- Be a current Ambassador-level Girl Scout member of our council who is graduating high school by August 2023. (*We are unfortunately unable to offer this funding to Gold Award recipients who have already graduated from high school*).

In addition to this completed form, the application package **must** include:

1. Submission of high school transcripts and ACT/SAT results. If you have not taken the ACT/SAT due to a financial hardship or other extenuating circumstances (ie. the school you are applying for doesn't require the scores of either test), please write a brief paragraph explaining the situation.
2. Submission of an essay not to exceed one typed, single-spaced page explaining your most important leadership activity outside of Girl Scouting.
3. Two letters of recommendation – one from within Girl Scouting and one external to Girl Scouting. These letters should not be from an immediate family member.
4. Copy of the acceptance letter for either a four-year college/university, community college, accredited trade/technical school, or post-high school academically based experience (i.e. an overseas gap year program or field research organization).
5. FAFSA Application – Printed summary page, including family's expected financial contribution.
6. Record of all service hours. This can include those served with Girl Scouting and those served with other organizations.

The **completed** application must be in hand no later than **5:00pm on Wednesday, February 1st to:**

Girl Scout Council of the Southern Appalachians
Attn: Gold Award - Scholarships
1567 Downtown West Blvd.
Knoxville, TN. 37919

Emailed applications should be sent to: info@girlscoutcsa.org by the deadline.

All scholarship candidates will be reviewed by a volunteer committee and if awarded, will be notified by email no later than May 29, 2023. Payment on all scholarships will be made directly to the college or program to be attended on behalf of the recipient.

No applications will be accepted past the deadline.

GSCSA Gold Award Scholarship Application 2023

Application checklist:

Check off:	Items to include:
	Current Girl Scout member (2022-2023 membership year)
