Girl Scouts of West Central Florida  
2022 Volunteer Awards

# President's Message

Welcome to the 2022 Girl Scouts of West Central Florida Volunteer Awards ceremony. Congratulations to the outstanding volunteers we are recognizing today for their service and dedication to the Girl Scout movement, our council, and our fellow members.

We are thrilled to honor all of you who have given so much to Girl Scouts of West Central Florida. You are the role models, mentors and pacesetters who push the rest of us to be our best. Because of you, our council has been able to roar back to life after more than a year of uncertainty and change. You are the roots that both keep us grounded and allow us to grow, and in you, we see the best version of ourselves. Without so many of you leading by example, we would certainly fall short in our mission to build girls of courage, confidence and character who make the world a better place.

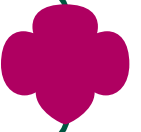

You embody the values of the movement and show our Girl Scouts that anything is possible through hard work, dedication, and imagination. You strive to make a difference for every girl, and especially that one girl out there who needs Girl Scouts.

Without you and your efforts, she wouldn't be able to discover, connect, take action, or experience something new and realize her potential. You bring girls together, fostering an environment of caring and understanding where they bond through sharing and learning about themselves and the communities in which they live. The past few years have taught us that there is nothing more precious than the bonds we form with those we hold close. Girl Scouts is a place where girls and volunteers alike embark on a journey of discovery and are introduced to new opportunities and new friends. We make invaluable connections with others throughout that journey, who often serve as our anchors for a lifetime. For many of us, our Girl Scout friends are more like family. As our own families grow and change, so do our girls and troops. Because of volunteers like you, our Girl Scouts always have someone there to guide them as their understanding of friendship and taking action evolves. I know the world is a better place because of all of you.

Thank you for CHOOSING to be a critical part of Girl Scouts of West Central Florida and giving our Girl Scouts an experience like no other.

Laura Webb

# Girl Scout National Awards

**Honor Pin** is awarded to registered members who have delivered outstanding service to two or more service units, geographic areas, or program delivery audiences, and have received three nominations that clearly outline that outstanding service.

## Jan Hathaway

Jan Hathaway serves Marion County Girl Scouts including Land of the Silver Moon and Joining Rivers Service Units. Although Jan does not have a troop to lead or a daughter in Girl Scouts, she still believes in the movement. Without Jan and her invaluable connections with the United Way, Land of the Silver Moon and Joining Rivers would not have access to as many resources for recruiting in Marion County. She also assists at many other events helping girls with activities, providing assistance at the check-in process, and offering support when needed. When not assisting with recruiting, you can find Jan at almost any other event both service units hold, lending a hand wherever she is needed.

## Shannon Boyer

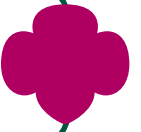

Serving Girl Scouts in Marion County, Shannon Boyer is a National Council Delegate, Service Unit Fall Product Chair, and a Troop Leader. Shannon also helps plan and coordinate recruitment events and sits on the planning committee lending her knowledge and training to other volunteers to ensure events are successful. Her passion really shines with the program she is creating for older girls who have been impacted by the pandemic. Shannon recognized the need for them to have an outlet to share how COVID has affected them. The program will provide otherwise unknown resources to girls and a safe space to discuss the lasting effects of the pandemic.

## Jennifer Ingram

Jennifer is the Accounting Coordinator, Troop Consultant, Alternate Delegate and Troop Leader for Gulf Sands Service Unit. In addition to the many “hats” she wears for Gulf Sands, she also volunteers her time to council as a Basic Outdoor Leadership Trainer. Many times she has been the first to volunteer when additional training needed to be scheduled so more leaders could bring their girls camping. This is extended to her work as a council facilitator in Archery and Watercraft experiences. At a moment’s notice, Jennifer has been there for troops when they do not have someone to facilitate. Her positive attitude, even when things did not go as planned, has the biggest impact on girls and made them eager to come back for more!

## Honor Pin (continued)

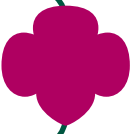

Brandy Dumas

For the past two years, Brandy has served as the Fossil Valley Encampment Director. Last year due to restrictions from COVID, Brandy had to change gears and helped coordinate the Girl Scout Amazing Race! It was a day of driving from location to location using clues and solving puzzles. It was a major success and is still talked about by the Service Unit to this day. To share in the fun, Brandy included the Strawberry Service Unit. In addition to being a dedicated Cadette Troop Leader, Brandy continues to volunteer and help with Service Unit level events. So far this year she (and her troop) has volunteered at Recruitment Night, Cookie Rally, and has coordinated Sock Valentines for assisted living facilities. Without a doubt, Brandy is a valuable member of her community and a sister to every Girl Scout.

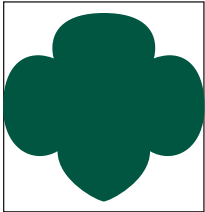

Because  
of you,  
we shine.

# Girl Scout National Awards

**Thanks Badge I** is awarded to registered members who have delivered outstanding service to the entire council or Girl Scout movement. Thanks Badge recipients have received at least four nominations that clearly outline their extraordinary service.

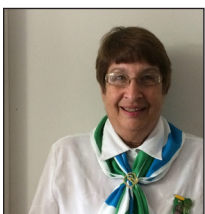

## Amanda McCarthy

Amanda's passion and integrity are valuable assets to GSWCF as a whole. Even though she does not hold an official recruiter role, she is continually putting out the word about Girl Scouts and encourages parents to register their girls any time she gets the chance. One can also see this passion within her role as a trainer for both Basic Outdoor Leadership and Advanced Camping. Amanda works to make all leaders feel that camp is accessible to them, no matter their skill level. She is always willing to assist when she is needed. Many times ensured that trainings have been brought to volunteers when it was needed most. Her support with volunteer development is irreplaceable.

## Kathleen Antis

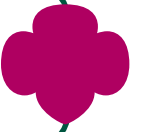

Kathy's roles with GSWCF include, but are not limited to, Whispering Pines Service Unit Manager, Area Association/Area C Chairperson, CEO Roundtable Member, and Gold Award Committee Member. Kathy tirelessly advocates for all of the High Awards, but especially for the Gold Award. Once a girl achieves this award, it demonstrates to colleges, employers, and the community that this girl is out there changing the world. Kathy clearly explains the guidelines, deadlines, and the Girl Scout Gold Award Steps and Standards of Excellence to the girls, their leaders, and their parents. She encourages and motivates girls across Council to earn the Gold Award. Whether it is helping girls determine their interests, coaching them through the interview process, or as a calming presence and familiar face during their presentations, Kathy takes the lead in building girls of courage, confidence, and character that make the world a better place.

## Lynn Sansspree

Lynn serves Joining Rivers and Land of the Silver Moon Service Units and all of Marion County. Not only is Lynn a troop leader, but she is also a co-encampment director for Joining Rivers Service Unit, assists with recruitment for both communities, and helps at the annual Ocala Drive -In event that brings in hundreds of girls from all across the council. Recently Lynn has also assisted the council by lending her knowledge and expertise to the Volunteer Development Department, working to create a new Encampment Director training for Service Units. She is an integral part of the service teams and wealth of knowledge, always eager to lend a hand to help not only the girls but other volunteers as well.

# Girl Scout National Awards

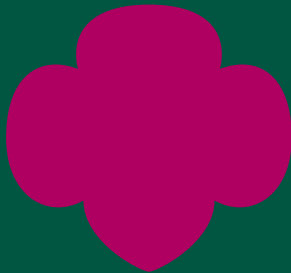

**Thanks Badge II** is awarded to registered members who have already earned the Thanks Badge, have continual high performance and have used their skill or sphere of influence to benefit the entire council in another endeavor. Thanks Badge II recipients have received at least four nominations that clearly outline their extraordinary service.

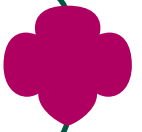

**Nancy Lynn Tomich**

Even after her daughter graduated, Lynn still continues as acting Troop Leader for a multi-level troop in the Joining Rivers Service Unit. Outside of running her troop, she is always quick to jump in to support the events held in Marion County. Lynn is described as instrumental in the work she does for their recruiting efforts, including locating and securing spaces for events. Moreover, she is a key player in Ocala's Annual Drive-In Camp Out. This event brings in girls from all over council and provides many with a fundamental Girl Scout experience they may otherwise not receive. Lynn always goes above and beyond in supporting the Girl Scout movement but even more importantly ensuring that the experience for the girls is positive and fun.

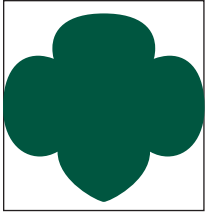

Because  
of you,  
we shine.

# Girl Scouts of West Central Florida Awards

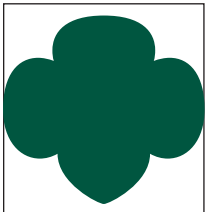

**Heart of Gold Award** is Girl Scouts of West Central Florida's council award to honor registered members who perform outstanding service above and beyond expectations both in Girl Scouting and for another organization. The award requires at least three nominations, with at least one being about their outstanding service to Girl Scouting and at least one being about their work for another organization.

## Nadine Hill

Nadine has done more for her service unit than can be listed! She manages both Cookie and Fall Product sales, has planned encampments, is a former Service Unit Manager, mentors new leaders, and so much more. In addition, Nadine has genuinely connected with and made a lasting impact on several Girl Scouts. Whether she's helping a girl who's struggling homesickness on a camping trip, teaching girls to feel confident doing things on their own, or giving helpful advice to girls that are struggling, the girls always feel loved and appreciated. She even started a Venture Crew with Boy Scouts to pass on her love for scouting to more than just girls. Our community is lucky to have Mrs. Nadine.

## Heidi Kurppe

Heidi gives much of her time and energy to the community, not only while volunteering with Girl Scouts, but at her daughter's school as well. She is the president of the school's Parents at Work with Students group where she organizes and participates in several wonderful events throughout the year, and still makes time to do anything and everything that the troop needs. More importantly, Heidi loves every girl as if they were her own making sure that each girl has everything that they need to succeed in, and get the most out of, Girl Scouts. She does all of this without expecting recognition, simply because she wants the best for everyone.

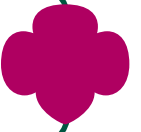

## Tiffany Eaton

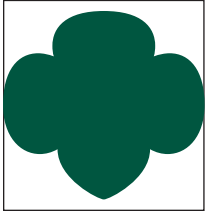

When Old Harbor Bay was without a Service Unit Manager, Tiffany stepped up and continued to do so when they lacked a Cookie Chair. Without her leadership, Old Harbor Bay may have had to disband. Her dedication to her community does not stop with Girl Scouts. Tiffany is heavily involved in the PTA at her children's school, serving as a Vice President of Ways and Means on their Committee. She has executed two successful fundraising campaigns this school year—generating tens of thousands of dollars to be put back into the school and students. No matter what organization Tiffany chooses to devote her time to, her willingness to go above and beyond earns both respect and admiration from those around her.

## Heart of Gold Award (continued)

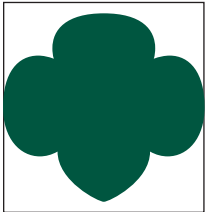

### Davina Eads

A devoted and caring Troop Leader and Service Unit Fundraising Chair, Davina has established foundational relationships for Girl Scouts within the Whispering Pines Service Unit. Through Davina, Girl Scouts are highly involved with volunteering for community events and fundraisers, making them a positive presence in Seminole County. In addition to her years of dedicated volunteering with GSWCF, Davina volunteers with Guardian Ad Litem as an advocate for abused and neglected children. Additionally, she gives her time to the Stetson Community Outreach Legal Program for Veterans and their families. Most recently Davina worked with the Salvation Army to collect and deliver toiletries and personal items to families in need of a help.

### Millie Shikes

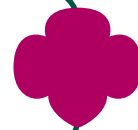

Millie has been the Troop Treasurer and Camp Mom for her daughter's troop for almost a decade and has continually provided invaluable support and input over the years. Without question, she lends a hand whenever and wherever needed. In addition to her devotion to scouting, she is a board member of a local non-profit, Seeds of Hope, that focuses on providing food to people in need and meaningful community service for students. Millie is a genuine person who selflessly gives without expecting any recognition. She embodies leadership through her actions. The world is invariably a better place because of her.

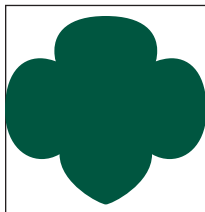

### Laura Kay

Laura is a great example of leadership and wealth of knowledge who is always willing to share with others. She acts as the current Encampment Director, Accounting Coordinator, and Event Coordinator for the Rising Daisies Service Unit. Laura makes sure that Encampment is Girl-Led by including girls to get their input on the entire process, from the theme, to food, activities, and decorations. She also acts as a mentor for older girls on how to lead at encampment. In addition, Laura's execution of Rising Daisies yearly Bingo Night ensures that girls who could not otherwise afford encampment have the ability to attend. Outside of Girl Scouts, Laura works to collect necessary items for women who are victims of human trafficking.

# Girl Scouts of West Central Florida Awards

**Trefoil Award in Memory of Linda Scott** is awarded in honor and memory of Linda Scott, a long time staff member of Girl Scouts of West Central Florida. Her love of the girls, volunteers and council staff led to the requirement of at least one nomination from each of those groups for consideration for the award. All recipients must also be registered members who have provided outstanding service to Girl Scouting.

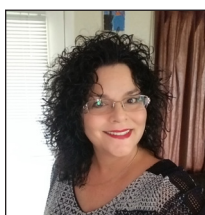

## Alicia Sanjurjo

Alicia serves Girl Scouts as a Delegate, Volunteer Award Coordinator, and Troop Leader of two troops within the Beautiful Butterflies Service Unit. Her enthusiasm for Girl Scouts and empowering women is contagious to both girls and other volunteers alike. Alicia's passion lies in her relationship with the Catholic Community. She has worked to build strong relationships between the faith community and the Girl Scouting community by serving as a program consultant for the Catholic Diocese of St. Petersburg. She has also encouraged girls to explore how their faith is connected to the Girl Scout Promise and Law. Alicia is considered a pillar in the community and a remarkable example of what Girl Scouting represents.

## Suzanne Delery

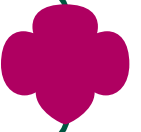

Suzanne started her troop when the girls were in kindergarten, and they are still going strong as they prepare to bridge to adult. This longevity speaks volumes about her dedication to Girl Scouts, as does her eight-year commitment to the role of Service Unit Recruiter, during which she has planned and put on several exciting events. She even brings her Girl Scout scrapbook to the events so that prospective families can see how much fun the girls have. After recruiting adults to join, Suzanne works as a mentor to help new leaders become comfortable in their roles. Suzanne has always worked to make Girl Scouts an enjoyable and unique experience, not just for the girls in her troop, but for the rest of the Service Unit as well.

## Anjanette Clark-Velasquez

As a dedicated Troop Leader, Troop Consultant, and Service Unit Co-manager, Angie has helped Whispering Pines Service Unit work through and overcome many of the obstacles that went along with the pandemic. In addition, Angie has stepped in as acting leader more than once for troops without someone to lead—preventing troops from disbanding. Within that time, she acted as a role model for girls to be themselves and feel empowered to speak their minds. Once these troops found leaders, her involvement did not stop. She stayed with the troop to mentor new leaders on required training, Girl Scout traditions, and the Girl Scout Leadership Experience.

## Trefoil Award (continued)

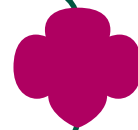

Mary "Carol" Bradbourne

Carol has been a Troop Leader and community volunteer in Fossil Valley for the past 13 years. She hosts meetings with leaders to mentor them and answer any questions, – providing detailed information about anything they need, from meeting ideas to trips to Savannah. She also makes herself available to go to troop meetings and troop camping trips to help leaders. Her mentorship is not limited to adults in Fossil Valley. As a previous Encampment Director, Carol mentored and guided older girls who helped lead stations taking time to meet with them individually and help them understand, develop, and implement each activity. She believes in making sure that all scouts, both girl and adult, are being served through our mission.

Because  
of you,  
we shine.
