

2021-2022 Family Partnership Incentives

Individual Incentives

If a girl's family donates \$25, they will receive this year's special Family Partnership Patch. If families have multiple girls, every additional \$5 donated earns another patch.

Donors can join Daisy's Circle, GSWCF's monthly giving program, for just \$5 per month. All donations can be credited to a Service Unit's Family Partnership total and the donor receives assorted incentives based on their giving level.

Troop Incentives

Troop donations consist of funds collected and turned in by the troop as a whole. Troops are encouraged to use Penny the Pig program for the troop campaign.

1. Troops will read the [Penny the Pig Story](#).
2. Once the troop has collected \$100 and turned in their donation, all registered girls in the troop will receive a Penny the Pig patch.

Troops can also join the Carrot Club and symbolically adopt one of GSWCF's resident horses at Camp Wildwood. Adoption donations are \$125 for troops of up to 12 girls and adopting troops receive the following:

1. Patches for all registered girls
2. A fact sheet regarding their adopted horse
3. An adoption certificate
4. An invite to an exclusive donor event for Carrot Club members

Service Unit Incentives

Service Units can earn rebates back based on achieving their yearly Family Partnership Goal. Rebates are calculated based on the following scale:

Goal Achieved-Amount Raised	Rebate Back	Number of Daisy's Circle Members Needed to bump to next level of rebates (goal must be reached to advance to next level)
\$250-\$499	3%	2
\$500-\$1000	5%	3
\$1001-\$2500	10%	4
\$2501-\$5000	15%	5
\$5001+	25%	N/A
