

# What Family Partnership Funds

Girl Scouts of West Central Florida's Family Partnership Campaign positively impacts every girl & volunteer in our council

**Financial Assistance** • **Camps** • **Programs** • **Volunteer Support**

## Financial Assistance

Family Partnership supports programming throughout our council that brings the Girl Scout Leadership Experience to every girl. By taking part in programs in STEM, life skills, entrepreneurship, and outdoor experiences, girls gain the confidence to prepare them for a lifetime of leadership and success.

## Camps

**\$182,715** was awarded last year in membership financial aid and camp scholarships to ensure every girl in Girl Scouts of West Central Florida's eight counties had the opportunity to experience Girl Scouting.

## Programs

Supports the upkeep and improvements at our four camp properties, giving every girl the chance to explore the outdoors and have access to unique opportunities that she can't get anywhere else. From horseback riding, to archery, to zip lining, Family Partnership helps make it happen!

## Volunteer Support

From learning to teach archery to taking your troop traveling, Family Partnership helps make sure all Girl Scout volunteers are well trained and able to give girls one of a kind Girl Scout experiences!

Every dollar donated to Family Partnership stays in our council to support Girl Scouts in our community. To learn more or to donate visit [gswcf.org/fp](http://gswcf.org/fp)
