

# National Girl Scout Week Activities Calendar, March 12-18, 2023

We know Girl Scouts do amazing things all year, and we are excited to focus on all things Girl Scout for one week! Each year, National Girl Scout Week is observed the second week of March, during our birthday on March 12. This year, it will be celebrated across the country on our 111th birthday from March 12-18!
