

Volunteer Toolkit Patch – for Leaders

Volunteer Toolkit Patch Program

The **Volunteer Toolkit** is a digital resource that supports troop leaders and co-leaders, making the process of running a troop easier and more efficient!

To earn this patch you must complete the following scavenger hunt!

- Explore the **MY TROOP** tab! – Find one of your Girl Scouts’ birthdays
- Start creating a **YEAR PLAN!** – This can be a “Build Your Own” or a “Pre-Selected Track”
- Explore the **MEETING PLAN** tab! - Find the Activity Plan in any badge meeting!
- Add a meeting to your **YEAR PLAN!** – Use the magnifying glass to search for meetings
- Explore the **RESOURCES TAB!** – Find the Girl Permission Form

Once you have completed the steps, request your free patch or charm, <https://form.jotform.com/201883812336153>. The base patch is given to volunteer leaders, one per troop who follow the steps. A girl charm is given to the volunteer meeting the criteria each additional year for four years.
