

Juliette Earned Council Credits

Council Credits are based on a range of girl sales

Boxes Sold	Amount Receiving
24-36 Boxes	\$15
37-60 Boxes	\$25
61-84 Boxes	\$30
85-108 Boxes	\$40
109-132 Boxes	\$50
133-168 Boxes	\$75
169-204 Boxes	\$95

For every 24 boxes sold after 204, the council credits would be \$10 more starting at \$95. For example, if a girl sells 224 boxes of cookies, she will earn \$105 in council credits
